PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Provided direct counselling services to children on a sessional basis for a government-funded educational programme, completing blocks of eight sessions per referral.
- Ensured adherence to the Code of Ethics of the relevant accrediting body, maintaining professional standards throughout client engagements.
- Managed sensitive child information with robust data protection measures, ensuring confidentiality and safety of all client data.
- Completed initial assessments to gather relevant information, including obtaining signed consent and referral forms from parents.
- Issued comprehensive summary reports detailing interventions, strategies employed, and client progress for programme evaluation.
- Participated in quality assurance exercises and supported programme evaluation processes by providing detailed feedback on service delivery.
- Engaged in mandatory professional supervision sessions to ensure best practice and ethical conduct in client care.

SKILLS

Counselling – Child and Adolescent Counselling, Psychotherapy, Code of Ethics, Professional Supervision, Client Assessment, Intervention Strategies

Data Management – Data Protection, Confidentiality, Sensitive Information Handling, Consent Management

Reporting – Summary Reports, Intervention Summaries, Progress Reporting, Programme Evaluation

Professional Practice – Sessional Delivery, Accrediting Bodies, Quality Assurance, Professional Indemnity Insurance

Education – Level 7 Qualification (Primary Degree), Human Sciences, Child Art Psychotherapy

PROJECTS

Child & Adolescent Support Programme Implementation

- Developed and implemented a structured eight-session counselling framework for children referred through a national educational initiative, adhering to established therapeutic protocols.
- Managed case files and client progress notes, ensuring all documentation met stringent data protection and confidentiality standards for sensitive child information.
- Collaborated with external stakeholders, including parents and educational programme coordinators, to facilitate smooth client onboarding and reporting cycles.

Therapeutic Intervention Strategy Development

- Designed and applied tailored intervention strategies based on initial client assessments and therapeutic best practices for child counselling.
- Compiled detailed summary reports post-intervention, outlining strategies used and client outcomes, contributing to programme-level quality assurance and evaluation.
- Maintained professional conduct and ethical adherence throughout client engagements, including participation in required professional supervision.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021
