PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Managed day-to-day site operations and project oversight, acting as deputy to the Project Manager during absences and ensuring adherence to programme and budget.
- Developed and refined project specifications and design drawings, proposing technical solutions for site-based design challenges.
- Ensured all design, materials, and workmanship met specified project requirements and quality standards.
- Reviewed and integrated technical reports, quality documentation, and safety files, contributing to monthly progress reports.
- Utilised **procurement software** to manage the timely ordering and awarding of materials and subcontracts.
- Coordinated with **consultants**, **subcontractors**, site staff, and commercial teams to facilitate project delivery.
- Executed site setup and data collection using **GPS** and **total station** equipment for setting out and capturing as-built information.

SKILLS

Project Management – Project Delivery, Team Collaboration, Budget Management, Programme Management, Procurement

Technical Skills – CAD, GPS, Total Station, 3D Scanner, Design Drawings, Specifications Review, Quality Documentation

Software Proficiency – MS Word, MS Excel, MS PowerPoint, Procurement Software

Industry Knowledge – Water and Wastewater Industry, Health, Safety, Environmental & Sustainability Standards, HSQE Management System

Communication & Interpersonal – Teamwork, Initiative, Problem Solving, Communication Skills, Stakeholder Liaison, Mentoring

PROJECTS

Water Treatment Plant Upgrade Project

- Contributed to the detailed design review of a water treatment plant upgrade, identifying potential clashes and proposing adjustments to **CAD** drawings to resolve issues.
- Assisted in site setup operations using **GPS** and survey equipment for accurate setting out of new infrastructure components.
- Compiled technical documentation and progress reports, focusing on adherence to **Health, Safety, and Environmental** standards.

Wastewater Network Expansion Initiative

- Supported the procurement process by liaising with suppliers and subcontractors to ensure timely delivery of materials for the wastewater network expansion.
- Participated in weekly site meetings, documenting progress and identifying potential risks to project timelines and budgets.
- Collected and verified as-built information using survey tools, ensuring accuracy against design specifications.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
