PROFESSIONAL EXPERIENCE — 3.5+ YEARS

Trust & Safety Agent — Accenture, Dublin, Ireland Jul 2026 – Present

- Review and action user-generated content and account reports against a large-scale online platform's community standards and policies.
- Investigate escalated abuse cases including harassment, hate speech, scams, inauthentic behaviour, and graphic content.
- Document enforcement decisions and flag emerging abuse trends to inform policy adjustments.
- Meet quality-audit, calibration, accuracy, and productivity targets for content review operations.

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Developed Java Spring Boot applications, building REST APIs for data integration and feature enhancements.
- Implemented Python scripts for data pipelines, ETL processes, and automated reporting, supporting data accuracy.
- Managed SQL databases (PostgreSQL, MySQL) for ad-hoc queries, data validation, and schema modifications.
- Provided production support for enterprise applications, managing SLAs and responding to P1/P2 incidents.
- Monitored application health using Splunk, CloudWatch, and Dynatrace, identifying and triaging production issues.
- Automated operational tasks and reporting using Python scripting, enhancing system stability.
- Collaborated with operations and business analysts on requirements, UAT, and post-implementation support.
