PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Managed the **decontamination unit (LDU)** for four surgeries, ensuring instruments were cleaned, inspected, sterilized, packaged, and stored according to stringent **infection prevention and control (IPC) policies**.
- Maintained comprehensive **decontamination records** and performed daily/weekly machine checks, ensuring all required tests were completed and documented.
- Ensured consistent supply of **sterile instrument sets** to all surgeries, proactively monitoring and ordering necessary decontamination supplies to prevent stockouts.
- Assisted the clinical team **chairside** during peak times and for surgery turnarounds, contributing to efficient patient flow and practice operations.
- Accurately recorded patient **medical histories** and clinical notes within the **Exact dental software** system, maintaining high standards of data integrity.
- Supported **audits and compliance checks** for decontamination processes, meticulously preparing documentation and facilitating inspections to uphold regulatory standards.
- Reported **equipment faults** promptly and coordinated with external technicians for repairs, minimizing downtime and ensuring operational readiness of LDU machinery.

SKILLS

Decontamination & IPC – Instrument Sterilisation, Infection Prevention and Control (IPC), Decontamination Policies, Audits and Compliance, Equipment Maintenance.

Dental Software – Exact Dental Software, Medical History Taking, Clinical Note Entry.

LDU Operations – Daily LDU Management, Instrument Processing, Record Keeping, Supply Monitoring, Surgery Stocking.

Clinical Support – Chairside Assistance, Surgery Turnaround, Patient Welcoming, Maintaining Cleanliness.

General Skills – Organised, Methodical, Reliable, Detail-Focused, Team Player, English Fluency.

PROJECTS

LDU Process Optimisation and Compliance Enhancement

- Designed and implemented a new workflow for the **LDU**, reducing instrument processing time by **15%** through optimized cleaning and sterilization sequencing.
- Developed a digital checklist system for **daily/weekly machine checks** and test completions, improving adherence to **IPC standards** and audit readiness.
- Collaborated with clinical leads to ensure continuous supply of sterile instruments, decreasing instances of surgery downtime due to missing equipment by approximately **20%**.

Chairside Support and Patient Record Management

- Provided direct **chairside assistance** to dentists during patient procedures, ensuring smooth workflow and patient comfort.
- Managed patient intake, accurately capturing and entering **medical histories** and treatment notes into the **Exact dental software** system.
- Assisted with patient welcoming and post-procedure room turnover, maintaining a clean and fully stocked environment for subsequent appointments.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
