PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Provided **on-site technical support** to end-users across multiple company sites, resolving hardware and software issues through desktide assistance.
- Configured and installed **end-user devices**, including **laptops**, **workstations**, and **mobile devices** (iOS, Android), ensuring proper setup and functionality.
- Delivered **second-level support** via phone, email, and remote desktop tools, effectively troubleshooting and resolving user-reported IT problems.
- Managed the setup, configuration, and maintenance of **end-user hardware**, **mobile devices**, and peripherals, ensuring compliance with IT standards.
- Escalated complex technical issues to specialized teams, documenting troubleshooting steps and user impact to facilitate efficient resolution.
- Handled a high volume of inbound **phone calls and emails**, prioritizing and addressing user requests within established service level agreements.

SKILLS

Support – helpdesk support, Desktop Support, technical support, end-user support, second-level support, Escalation
