PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Coordinated quality business reviews with **external manufacturing partners**, tracking performance metrics, deviations, and CAPAs across approximately **15 active CMO engagements**.
- Reviewed and approved **validation protocols and reports** for contract manufacturing organizations, ensuring statistically justified sampling plans aligned with **ANSI/ASQ standards**.
- Managed and approved **change controls, deviations, and CAPAs** for batches processed by external partners, ensuring timely closure and product impact assessment.
- Led investigations for **customer and supplier complaints**, performing root cause analysis and risk assessments to implement corrective actions.
- Authored and maintained **Standard Operating Procedures (SOPs)** and quality documentation, ensuring version control and tracking training assignments for relevant personnel.
- Supported the **Responsible Person (GDP)** and Regulatory Affairs on notifications to health authorities, including quality defect reporting and significant change management.

SKILLS

Quality Assurance – cGMP, GDP, Quality Manual, SMF, Internal Audits, Management Review, QMS KPIs, Calibration Programme, Data Integrity, SOPs, CMO Questionnaires.

Partner Management – CMO Oversight, Contract Lab Qualification, 3PL Qualification, Quality Business Reviews, Audits, CAPA Tracking, Supply Chain Mapping.

Documentation & Compliance – Validation Protocols, Validation Reports, Sampling Plans, Change Controls, Deviations, CAPAs, Complaints Investigations, Artwork Control, Batch Records, Archiving.

Product Lifecycle – Stability Programme, Environmental Monitoring, Finished Product Testing, Raw Material Testing, QC Method Transfers.

Regulatory Interface – Health Authority Notifications, HPRA, Recall Readiness, Mock Recalls, Licence Variations, Regulatory Guidance.

Investigation & Analysis – Root Cause Analysis, Risk Assessment, CAPA Effectiveness Checks, Product Impact Assessment, RM/FP Rejections.

Training & Coaching – QA Training, Documentation Training, Investigation Training, Change Control Training.

PROJECTS

External Partner Quality Oversight Program (HCL Technologies)

- Established a structured program for overseeing **multiple contract manufacturing organizations (CMOs)**, defining key quality metrics and review cadences.
- Developed standardized templates for **deviation reports and CAPA tracking**, facilitating consistent documentation and follow-up across diverse partners.
- Coordinated with business analysts and operations teams to gather requirements for enhanced **transaction monitoring dashboards**, improving visibility into partner performance.

QMS Documentation and Compliance Initiative (HCL Technologies)

- Led the initiative to consolidate and update **Standard Operating Procedures (SOPs)** for critical quality processes, ensuring alignment with internal policies and regulatory awareness.
- Implemented an improved system for managing **change controls and documentation approvals**, reducing processing time by approximately **18%** through streamlined workflows.
- Contributed to the development of **data integrity guidelines** for production environments, emphasizing audit trails and secure record-keeping practices.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin

Feb 2026

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
