PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Provided **face-to-face IT support** for end-users at the Dublin Head Office, troubleshooting and resolving hardware and software issues to maintain operational continuity.
- Managed the full lifecycle of **IT assets**, including configuration, installation, and preparation of new hardware and software for deployment to approximately 85 end-users.
- Created and updated **technical documentation** and user guides for common IT issues and system configurations, improving knowledge sharing across the support team.
- Resolved IT incidents efficiently via the **ITSM tool** and telephony systems, focusing on timely and customer-centric resolutions for a diverse user base.
- Collaborated with **wider business teams** to gather requirements for IT service improvements and provided post-implementation support for new system rollouts.
- Applied **SQL query language** to investigate data discrepancies and support troubleshooting efforts for integrated business systems.

SKILLS

IT Support – IT Service Desk, Incident Resolution, Troubleshooting, Face-to-Face Support, Customer Service, ITSM Tools, Ticketing Systems

Hardware & Software – Asset Management, Configuration, Installation, Windows Desktop OS, Windows Server OS
