PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Provided on-site and remote technical support for over **150 users** across multiple client locations, resolving issues related to hardware, software, and network connectivity within defined SLAs.
- Managed and maintained an accurate asset inventory of over **200 IT assets**, including tracking, updating records, and performing regular audits to ensure data integrity.
- Executed computer imaging and refreshing for **approximately 75 workstations**, ensuring all devices were up-to-date with the latest software and security patches.
- Troubleshoot and resolved common IT issues, including printer malfunctions, software errors, and network connectivity problems for end-users, improving average resolution time by **18%**.
- Assisted with the setup and maintenance of **audio and video equipment** for meetings and live events, including projectors, microphones, and video conferencing systems.
- Collaborated with senior technicians to resolve complex technical issues, contributing to the improvement of support processes and documentation for **Level 1+ troubleshooting**.

SKILLS

Support & Operations – Field Support, Smart Hands Support, Level 1+ Troubleshooting, End-User Support, Incident Response, SLA Management

Hardware & Software – Computer Imaging, Asset Inventory Management, Hardware Troubleshooting, Software Error Resolution, PC Refresh

AV Technology – Audio Video Support, Projector Setup, Microphone Maintenance, Video Conferencing Systems, AV Equipment Operation

Tools & Platforms – MS Teams, ServiceNow, MS Office, Jira, Confluence, Splunk, Dynatrace, AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux

Networking & Systems – Network Connectivity Troubleshooting, Cabling Basics, Linux Shell Scripting, Git, Jenkins

PROJECTS

IT Asset Management and Deployment System (HCL Technologies)

- Developed a **Python script** to automate the tracking and reporting of IT assets across different client sites, reducing manual data entry by **40%**.
- Integrated the asset tracking script with **Jira** for streamlined ticket management and hardware request fulfillment for a team of 15 support engineers.
- Contributed to the design of a standardized computer imaging process using **Docker** and AWS EC2, enabling faster deployment of new workstations.

Client Site Support Enhancement Initiative (HCL Technologies)

- Created detailed troubleshooting guides and runbooks for common hardware and software issues, improving the first-contact resolution rate for the support team by **~22%**.
- Assisted in setting up and managing **audio-visual equipment** for over 50 client meetings and presentations, ensuring seamless operation.
- Provided direct end-user support in an office environment, addressing technical inquiries and resolving issues promptly for enterprise clients.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin

Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India

2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
