PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Removed network and power cables during **data centre decommissioning** projects, adhering strictly to procedural checklists.
- Performed **hardware removals** (DBD) following detailed written guides, ensuring accurate physical asset handling.
- Organized and staged **power and network cabling** for upcoming installations and replacements within the data centre.
- Conducted physical audits of **data centre assets**, ensuring inventory accuracy and compliance with site procedures.
- Assisted in the installation, replacement, and decommissioning of **IT equipment**, working closely with senior technicians.
- Maintained strict adherence to **standard operating procedures** and safety protocols during all on-site activities.

SKILLS

Data Centre Operations – Decommissioning, Hardware Removal, Cable Management, Rack and Stack, Physical Audits, IT Equipment Installation

Core IT Skills – Computer Hardware, Servers, IT Components, Asset Tagging

Tools & Software – Microsoft Outlook, Microsoft Excel, Microsoft Word

Methodologies – Standard Operating Procedures, Checklists, Safety Protocols

Project Work – Decommissioning Projects, Migration Projects

PROJECTS

Data Centre Hardware Decommissioning and Cabling (HCL Technologies)

- Executed the systematic removal of network and power cables from racks during a large-scale data centre decommissioning effort.
- Managed the staging and organization of removed hardware components, ensuring all assets were accounted for and prepared for disposal or relocation.
- Followed detailed procedural checklists for each hardware removal (DBD), contributing to an organized and efficient site cleanup.

IT Equipment Installation and Asset Audit Support (HCL Technologies)

- Supported the installation and initial setup of new server hardware and IT components within a managed enterprise environment.
- Performed physical audits of installed assets, verifying serial numbers and configurations against inventory records.
- Contributed to the preparation and staging of IT equipment for both new deployments and decommissioning phases.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin

Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India

2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
