PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Authored and published social media posts, captions, and stories for Instagram and TikTok, embodying the brand's distinct voice and style.
- Captured raw, short-form video content during on-site shoots, focusing on behind-the-scenes moments and product storytelling for Reels and YouTube Shorts.
- Managed daily community engagement across social channels, responding to comments and DMs to foster authentic conversations.
- Supported the planning, coordination, and execution of content production shoots, ensuring logistical elements like scheduling and locations were managed.
- Assisted in transforming raw shoot footage into multiple social-first assets, collaborating with editors to refine content for optimal impact.
- Traveled to brand activations and events to capture immediate, real-time content that resonated with the audience.

SKILLS

Social Media Platforms – Instagram, TikTok, YouTube Shorts

Content Creation – Short-form video, Reels, BTS content, Product storytelling

Writing & Editing – Captions, Hooks, Short-form scripts, Basic editing (CapCut, Premiere)

Production Support – Shoot coordination, Logistics management, Travel, On-site content capture

Brand & Community – Brand voice, Community engagement, DTC storytelling, Golf/Sport culture

PROJECTS

Social Media Content Strategy & Execution (HCL Technologies)

- Developed and executed a content calendar for a client's social media presence, creating engaging posts and stories across Instagram and Facebook.
- Captured and edited short-form video content from client events, repurposing footage into multiple social media assets that increased engagement by ~18%.
- Monitored social media channels, actively engaging with followers and responding to inquiries to build community rapport.

Event Coverage & Real-Time Content Capture (MSc Project)

- Traveled to multiple industry conferences to capture live content, documenting key moments and speaker highlights for immediate social media dissemination.
- Produced short video clips and compelling captions on-site, ensuring content felt immediate and relevant to the ongoing event narrative.
- Collaborated with the MSc team to ensure captured content aligned with the project's overall communication goals.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin

Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India

2021
