PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Provided **Tier 2 technical support** for desktop hardware, laptops, and mobile devices, resolving an average of 15 critical issues per week.
- Configured and deployed **new desktops and laptops**, ensuring adherence to standard imaging and software installation protocols for enterprise users.
- Developed and maintained **user guides and FAQ documentation** for common software issues related to **0365, Zoom, and Teams**, reducing support ticket volume by 18%.
- Troubleshoot and resolved complex software conflicts using **Microsoft toolsets**, including Event Viewer and Performance Monitor, across a user base of over 500 employees.
- Communicated technical concepts and solutions effectively to non-technical users and stakeholders, facilitating smoother adoption of new software releases.
- Managed and troubleshoot **Cisco phone systems** and mobile device integrations, ensuring seamless communication for a fast-paced trading floor environment.

SKILLS

Hardware Support – PCs, Laptops, Cisco Phones, Mobile Devices, MAC Devices, Tablets

Software Support – 0365, Zoom, Teams, Microsoft Toolsets

Operating Systems – Windows, Linux

Troubleshooting & Diagnostics – Problem-Solving, Log Analysis, Performance Monitoring

Documentation & Training – User Guides, FAQ Creation, Technical Writing

Networking Basics – Trade Floor Technology Understanding

PROJECTS

Enterprise Desktop Deployment Automation

- Automated the build and configuration process for new company laptops using **Python scripting** and **Ansible**, reducing deployment time by 40% per device.
- Created a centralized repository for standard software packages and configurations, enabling rapid deployment and consistent user environments across the organization.
- Collaborated with the IT operations team to define imaging standards and troubleshoot deployment failures, ensuring successful rollout for over 200 new hires.

Internal Software Troubleshooting Knowledge Base

- Developed and maintained an internal knowledge base for common software issues, focusing on **0365, Teams, and VPN connectivity**, accessible to both support staff and end-users.
- Authored clear, step-by-step troubleshooting guides and video tutorials, which were adopted as standard resources by the helpdesk team, improving first-contact resolution rates by 22%.
- Gathered feedback from support engineers and end-users to continuously update and improve the accuracy and comprehensiveness of the documentation.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin

Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India

2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
