PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Managed advertising and promotional activities for enterprise services, coordinating campaign execution across digital and print channels to enhance brand visibility.
- Assisted in developing and implementing communication strategies for member engagement initiatives, focusing on clear messaging and timely delivery of information.
- Represented the organisation at industry events and on-farm visits, acting as a primary point of contact to foster relationships and promote services to stakeholders.
- Supported the marketing team by organising and maintaining campaign assets and collateral, ensuring all materials adhered to brand guidelines and regulatory requirements.
- Coordinated with external vendors and agencies for the production of marketing materials, managing timelines and deliverables to meet project deadlines.
- Compiled and analysed data from various marketing channels to provide insights on campaign performance and inform future promotional strategies.
- Maintained professional communication standards via phone and email, addressing inquiries from members and partners with accuracy and efficiency.
