## PROFESSIONAL EXPERIENCE — 3.5 YEARS

### Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Prepared **equipment and materials** for field work and supported laboratory and field teams with approved non-specialist tasks, accurately recording **device serial numbers** and stock movements in **Maximo**.
- Coordinated domestic and international **travel bookings** for operations team members, including flights, rail, accommodation, and car hire, ensuring adherence to **approved travel providers** and internal processes.
- Assisted users with first-line desk-side activities, including **monitor, docking station, and peripheral setup**, and prepared meeting-room audiovisual and **video-conferencing equipment**.
- Supported goods receipt, inspection, safe storage, picking, packing, staging, and dispatch of **devices, tools, spares, and consumables**, assisting with **stock counts and inventory reconciliation**.
- Administered the issuing, return, replacement, and tracking of **building access cards** and visitor badges, maintaining accurate records and following approved access authorisations.
- Received incoming post, parcels, and courier shipments, logging, sorting, notifying recipients, and distributing items promptly, while also arranging outgoing post and courier services.
- Tracked **purchase orders and deliveries**, verified goods received, and liaised with Procurement and Finance to resolve discrepancies, maintaining procurement trackers and records.

## SKILLS

**Warehouse & Logistics** – Goods receipt, Inspection, Storage, Picking, Packing, Dispatch, Stock counts, Inventory reconciliation, Labelling, Returns, Chain of custody, Serial numbers, Maximo

**Office Administration** – Reception, Visitor registration, Mail handling, Courier coordination, Meeting room setup, Office supplies, Facilities support, Access card administration
