Data Analysis & Reporting – MS Excel (Advanced), Data Modelling, Power BI, Tableau, DAX, Power Query, R, Python (pandas, NumPy)

Core Technologies – SQL, PostgreSQL, MySQL, Oracle, Java, Spring Boot, Python, REST APIs, AWS, Docker, Linux

Production Support & CI/CD – Splunk, Dynatrace, CloudWatch, Jenkins, Git, Jira, Confluence, Incident Response, Change Management

Business Systems – ERP Integration Support, Enterprise Business Systems, UAT Coordination, System Configuration

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Financial Operations Dashboard for Client Revenue Management

- Developed a **Power BI dashboard** to monitor client billing status, revenue recognition, and fee debtor collections for a financial services client.

- Integrated data from multiple sources using **Power Query** and implemented complex **DAX measures** to provide real-time insights into fee management operations.
- Automated report generation and distribution, reducing manual reporting effort by **40%** and improving stakeholder access to critical financial data.

Automated Transaction Reconciliation System

- Designed and implemented a **Python**-based system to automate the reconciliation of transaction data between different financial systems.
- Wrote **SQL** scripts to extract, transform, and validate data from **PostgreSQL** and **Oracle** databases, identifying discrepancies with **99.5%** accuracy.
- Integrated the reconciliation engine with existing operational workflows, reducing manual reconciliation time by **30%** and enhancing audit trail integrity.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
