EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Retail Estate IT Support Enhancement Project

- Streamlined IT support processes for over 350 retail locations by implementing standardized troubleshooting guides for **EPOS hardware and software**.
- Developed Python scripts to automate the creation and management of user accounts in **Active Directory**, improving efficiency for new starter onboarding by **30%**.

- Collaborated with network teams to document and resolve common **DNS and DHCP** issues, reducing intermittent connectivity problems for remote users.

Service Desk Knowledge Management System

- Designed and implemented a centralized **knowledge base** using Confluence for the Service Desk team, documenting solutions for common hardware and software issues.
- Created detailed troubleshooting guides for **printers and peripheral devices**, leading to a **20% increase** in first-call resolution rates.
- Authored user-friendly documentation for the main betting platform applications, enhancing user self-service capabilities and reducing support escalations.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
