

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India **09/2021 – 01/2025 (3.5 Years)**

- Prepared and reviewed preliminary designs and detailed drawings for building infrastructure projects, coordinating with senior engineers and project managers.
- Managed procurement processes for site investigations and civil engineering contracts, ensuring adherence to project specifications and timelines.
- Administered construction contracts, monitoring progress against project schedules and budgets to ensure design requirements were met.
- Liaised with clients under project manager direction to translate their needs into actionable design specifications and project plans.
- Reviewed design documents prepared by graduate engineers, providing constructive feedback and ensuring quality standards were maintained.
- Assisted project managers in preparing tender documents and conducting tender assessments for construction and civil engineering projects.

SKILLS

Engineering Design – AutoCAD 2D, AutoCAD 3D, Building Information Modelling, AutoDesk REVIT, MicroDrainage

Project Management & Administration – Construction Contracts, PWMF Forms of Contract, Microsoft Project, Tender Documentation, Tender Assessment

Client & Stakeholder Liaison – Written Communication, Verbal Communication, Interpersonal Skills, Requirements Gathering

Software Proficiency – Microsoft Access, GIS Software, ArcGIS, MapInfo

Core Engineering – Civil Engineering, Structural Engineering, Building Infrastructure

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin **02/2026**

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India **01/2021**

PROJECTS

Infrastructure Design & Simulation Platform

- Developed preliminary and detailed design drawings for multi-unit residential building infrastructure using **AutoCAD 2D** and basic **AutoDesk REVIT**.
- Simulated drainage requirements for site developments using **MicroDrainage**, producing reports to inform contract procurement.

- Collaborated with a senior engineer to review design iterations and ensure compliance with local building regulations and project scope.

Construction Contract Administration & Reporting Tool

- Built a **Microsoft Access** database to track construction contract milestones, budget expenditures, and key performance indicators for ongoing projects.
- Generated weekly progress reports for project managers by consolidating data from site logs and contractor submissions, highlighting schedule adherence and potential budget variances.
- Assisted in the preparation of tender assessment summaries by compiling and cross-referencing technical proposals against contract requirements.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
