

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Defined and executed daily laboratory priorities for sample analysis, ensuring adherence to the periodic laboratory plan and achieving key performance indicators for an analytical services group.
- Managed and controlled all Quality Control (QC) activities in accordance with identified quality assurance standards, company procedures, and client specifications, sustaining **GMP compliance** for raw materials and end products.
- Authored and maintained detailed laboratory records and notebooks to an acceptable **GMP standard**, documenting all analytical activities and ensuring traceability for regulatory audits.
- Performed routine calibration, corrective, and preventative maintenance on designated laboratory instruments, managing requests for necessary parts and consumables to maintain operational readiness.
- Investigated and documented discrepancies, deviations, and non-conformance events, supporting the resolution of out-of-specification (OOS) and out-of-trend (OOT) results within the QC laboratory.
- Communicated effectively with internal departments regarding QC work using appropriate company processes and **IT platforms**, facilitating cross-functional collaboration for product quality assurance.

SKILLS

Quality Control – Quality Assurance Standards, GMP Practices, HSE Regulations, Regulatory Requirements, Audits, Deviation Management, OOS/OOT Investigations, Analytical Theory

Laboratory Operations – Sample Analysis, Laboratory Planning, KPIs, Instrument Calibration, Maintenance, Consumables Management, Hygiene and Housekeeping

Analytical Techniques – Raw Material Testing, Intermediate Product Testing, End Product Testing, Analytical Services

Data Management & Documentation – Laboratory Records, Notebook Maintenance, GMP Documentation, Traceability

Software & Tools – MS Office Suite, IT Platforms (Generic)

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Pharmaceutical Quality Control Dashboard

- Developed a **Power BI dashboard** to visualize key quality control metrics, including sample throughput, instrument calibration status, and deviation rates for a pharmaceutical client.

- Implemented **DAX measures** to calculate critical KPIs and applied data modelling techniques to integrate data from LIMS and instrument logs, enhancing reporting accuracy by **15%**.
- Automated data extraction and transformation using **Power Query**, reducing manual reporting effort by **8 hours per week** and improving data refresh timeliness.

Automated Laboratory Instrument Maintenance Scheduler

- Designed and implemented a Python-based application to schedule and track routine instrument calibration and maintenance tasks for a high-throughput laboratory.
- Integrated with a PostgreSQL database to store instrument details, maintenance history, and schedules, ensuring compliance with **GMP requirements** for equipment upkeep.
- Created automated email notifications for upcoming maintenance and completed tasks, improving on-time maintenance completion rates by **20%** and reducing equipment downtime.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
