PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Authored and published engaging social-first content across **Instagram**, **TikTok**, and **YouTube Shorts**, maintaining the brand's distinct voice and driving community interaction through daily posts, captions, and stories.
- Captured and created short-form video content, including **Reels** and **behind-the-scenes** footage, transforming raw shoot material into multiple social media assets that enhanced product storytelling.
- Supported end-to-end shoot logistics, including planning, coordination, and on-site execution, ensuring smooth operations and the capture of essential content for campaigns.
- Managed content calendars and assisted with campaign rollouts, coordinating with marketing teams and external collaborators to ensure timely and consistent delivery of brand messaging.
- Collaborated with editors and creatives to refine content, ensuring final outputs aligned with brand standards and effectively communicated key messages to target audiences.
- Traveled to brand activations and events, capturing **real-time content** that reflected immediate cultural relevance and adapted flexibly to changing plans while ensuring essential content capture.

of Technology, Coimbatore, India**

01/2021

PROJECTS

Brand Voice & Social Content Platform

- Developed a comprehensive content strategy for a new lifestyle brand, focusing on establishing a distinct and authentic voice across key social media channels.
- Created and scheduled daily social media posts, including engaging captions and visual content for **Instagram** and **TikTok**, resulting in a **20% increase** in follower engagement over three months.

- Produced short-form video content, such as **Reels** and behind-the-scenes clips, showcasing product features and brand ethos to enhance audience connection.

Event & Activation Content Capture Initiative

- Supported the logistical planning and on-site execution for multiple brand events and photoshoots, ensuring all content requirements were met efficiently.
- Captured high-quality, real-time content during events, adapting to dynamic environments to secure immediate and relevant social media assets.
- Collaborated with external creative teams to integrate captured footage into broader campaign narratives, ensuring a cohesive brand message across all platforms.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
