PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Led **Quality Management System (QMS)** oversight for **contract manufacturing organisations (CMOs)** and contract laboratories, administering **Change Controls, Deviations, CAPAs, and Documentation Approvals** across production batches; achieved **100% compliance** with **cGMP/GDP** standards and internal audit expectations.
- Coordinated recurring **CMO quality business reviews** covering performance metrics, complaints, deviations, CAPAs, and change-control commitments; reviewed and approved **Validation Protocols, Validation Reports, and Sampling Plans** with statistically justified approaches (**ANSI/ASQ**) for **25+ quality documents** quarterly.
- Managed **Supply Chain Maps** and **GDP compliance** oversight across logistics partners and **3PL qualifications**; coordinated **QC Method Transfers** to CMOs ensuring **data integrity, comparability protocols, and acceptance criteria** alignment with **Marketing Authorisations** and Bimeda standards.
- Executed **Internal Audits** across CMO operations and contract laboratories, tracking audit outcomes and corrective actions; maintained **Quality Manual/SMF** in alignment with regulatory licences and cGMP procedures; collated **Management Review** findings and tracked **QMS KPIs** for continuous improvement.
- Administered **Stability Programme Testing** protocols, data pulls, and investigations; oversaw **EM Programme (Environmental Monitoring)** data review and trending; coordinated **Finished Product Testing and Raw Material Testing** via contract labs in line with specifications and regulatory release requirements.
- Led **Customer and Supplier Complaints investigations** including root-cause analysis and risk assessment; managed **RM/FP Rejections (Raw Material/Finished Product)** disposition; compiled and presented **CMO Summary PQR, CMO PQR, and BAHF PQR** ensuring annual **product quality reviews** and HPRA notifications for **recall readiness**.

SKILLS

Quality Management & Regulatory – cGMP, GDP, Quality Management Systems (QMS), Change Control Management, Deviation & CAPA Administration, Data Integrity, Marketing Authorisations, HPRA Compliance, Recall Management.

CMO & Contract Partner Oversight – Contract Manufacturing Organisation (CMO) Quality Audits, Contract Laboratory Qualification, 3PL Oversight, Supply Chain Maps, Supplier Complaints, CMO Validation Protocols & Reports, QC Method Transfers.

Quality Documentation & Approvals – Quality Manual/SMF Maintenance, Documentation Reconciliation, Logbook Administration, Artwork Control & Approval, Calibration Programme Administration, Equipment Lifecycle Controls.

Product Lifecycle & Technical Activities – Validation Protocol Approvals, Stability Programme Testing, Environmental Monitoring (EM), Finished Product Testing, Raw Material Testing, ANSI/ASQ Statistical Methods, Sampling Plans.

Investigations & Quality Reviews – Root Cause Analysis, Risk Assessment, CAPA Effectiveness Verification, Product Quality Review (PQR), RM/FP Rejection Management, Internal Audits, Management Review Coordination.

Data Analytics & Reporting – Power BI, Tableau, SQL, Data Modelling, Trend Analysis, Statistical Analysis, Performance Metrics, Business Intelligence Dashboards.

Technical & IT Systems – ERP Integration Support, REST APIs, PostgreSQL, MySQL, Oracle, Git, Jira, Confluence, Linux, Documentation Systems.

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin	02/2026
BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India	01/2021

PROJECTS

Quality Documentation & Compliance Management System (HCL Technologies)

- Designed and maintained a comprehensive **Quality Management System (QMS)** tracking framework for pharmaceutical manufacturing compliance, managing **Change Controls, Deviations, CAPAs, and Documentation Approvals** across **cGMP/GDP** operational requirements.
- Built automated **SQL-based data pipelines** (PostgreSQL/MySQL/Oracle) to consolidate **CMO performance metrics, complaints, deviation tracking, and CAPA closure status** from multiple contract manufacturing partners; reduced manual reconciliation by **40%**.
- Developed **Power BI operational dashboards** and monthly **Product Quality Review (PQR) reporting** tracking validation status, sampling plan compliance, EM trends, and product rejection metrics; presented insights to senior leadership and regulatory stakeholders for **continuous improvement** initiatives.

CMO Audit Coordination & Validation Oversight (HCL Technologies)

- Led end-to-end **Contract Manufacturing Organisation (CMO)** audit programme including planning, execution, and tracking of corrective actions; verified **CAPA completion** across **25+ contract partners** with **100% closure rate** within regulatory timelines.
- Reviewed, approved, and archived **Validation Protocols, Validation Reports, and Sampling Plans** ensuring **ANSI/ASQ** statistical justification and protocol-to-report traceability; coordinated **QC Method Transfers** with **data integrity, comparability protocols, and acceptance criteria** documentation.
- Maintained **Supply Chain Maps** and **GDP compliance checklists** for logistics partners and **3PL qualifications**; created training materials on **cGMP expectations and documentation standards** delivered to CMO and contract laboratory teams, improving first-time audit compliance by **30%**.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
