HARIRAMAKRRISHNAN RAMACHANDRAN

+353 89 970 6156 • hariramakrrish@gmail.com • Dublin, Ireland • **Stamp 1G — Full-Time Work Eligible**

PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Administered and maintained **network-connected manufacturing systems** and **operational technology (OT) infrastructure** across a pharmaceutical site, ensuring system availability for production workflows.
- Supported user and access management, including account administration and security permissions, contributing to the implementation of **cybersecurity controls** and best practices.
- Assisted with system monitoring, including health checks, alarms, and infrastructure performance analysis, aiding in compliance activities and issue escalation.
- Managed system inventories and technical documentation, detailing hardware, software, network architecture, and connectivity records for the site's IT and OT assets.
- Collaborated with Global IT, Cybersecurity, and vendor teams on infrastructure upgrades, maintenance, and automation projects, facilitating system integrations.
- Supported patch management, vulnerability remediation, and antivirus monitoring activities to maintain the security posture of critical computerized systems.
- Analyzed system health, alarms, and events using **Splunk** and **CloudWatch**, contributing to root cause analysis for P1/P2 incidents and SLA adherence.

SKILLS

OT/IT Systems – Computerized Systems Administration, Operational Technology (OT) Infrastructure, Network-Connected Manufacturing Systems, Cybersecurity Controls, System Monitoring, Patch Management, Vulnerability Remediation, Antivirus Monitoring

Networking & Infrastructure – Servers, Workstations, Network Equipment, Storage, TCP/IP, Switches, Routers, Wireless Networks, Windows Operating Systems, Virtualisation

Core Technologies – Linux, Shell Scripting, Cron Jobs, AWS (EC2, S3, Lambda, CloudWatch), Docker, Jenkins, Git, Jira, Confluence

Data & Automation – Python Scripting, SQL (PostgreSQL, MySQL, Oracle), Data Pipelines, ETL, Scheduled Reporting

Software Development – Java Spring Boot, REST API Development, Debugging, Code Reviews

Data Analytics & BI – Power BI, Tableau, DAX Measures, Power Query, Data Modelling, R/RStudio, pandas, NumPy, scikit-learn

Manufacturing & Industrial – PLCs, HMIs, SCADA Systems (awareness)

PROJECTS

OT Infrastructure Monitoring and Documentation (HCL Technologies)

- Developed and maintained comprehensive documentation for OT systems, including server configurations, network architecture, and equipment locations, improving site visibility for 5 distinct manufacturing zones.
- Implemented automated health checks and monitoring scripts using **Python** across Linux servers, reducing manual system verification time by **30%**.
- Supported the deployment and configuration of new network-connected devices within the manufacturing environment, ensuring adherence to established IT and OT standards.

Site-Wide System Inventory and Access Control (HCL Technologies)

- Contributed to the creation and upkeep of a centralized inventory for all IT and OT assets, encompassing hardware, software, and firmware versions across a 1,500+ node environment.
- Assisted in user account administration and the implementation of access control policies for critical operational systems, ensuring compliance with security guidelines.
- Generated automated reports using **SQL** and **Python** to track system configurations and user access changes, providing auditable trails for internal reviews.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
