PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Managed a portfolio of **On Trade** customers, developing and executing simple growth actions that increased **distribution** and **rate of sale** by an average of **18%** across the territory.
- Grew **portfolio performance** in outlets by securing **menu placement**, enhancing **brand visibility**, and ensuring **serve quality** for key beer and spirits brands, identifying and closing **white-space opportunities**.
- Executed **promotions**, new product **launches**, and **outlet activations** in collaboration with Customer Marketing teams, tracking standards and outcomes to ensure successful implementation.
- Maintained accurate **EDGE/CRM** records and coordinated **forecast inputs** with Commercial teams, using **rate-of-sale** and customer performance data to prioritise actions and escalate risks.
- Resolved customer issues related to **supply**, **delivery**, **pricing**, and **claims** by working cross-functionally with internal teams, ensuring all activity met Diageo's standards.
- Built trusted relationships with **On Trade** customers, translating channel and brand priorities into disciplined outlet actions that improved **availability** and **quality**.
- Developed and maintained performance insights using **Excel** and **reporting tools**, focusing time and investment on opportunities that created the most value for the business.

PROJECTS

Territory Growth Strategy Implementation

- Developed and executed a territory growth strategy for a portfolio of **On Trade** outlets, focusing on increasing **distribution** and **rate of sale** for priority brands.
- Collaborated with **field sales** and **customer marketing** teams to ensure successful execution of **promotions** and **activations**, resulting in a **15% uplift** in average outlet sales for featured products.
- Utilised **CRM data** and **performance reports** to identify key opportunities and tailor outlet-specific action plans, ensuring alignment with overall channel priorities.

Customer Portfolio Performance Analysis

- Analyzed performance data for a segment of **On Trade** customers, identifying drivers of **availability**, **visibility**, and **quality**.
- Created **Excel-based** dashboards to track key performance indicators, including **rate of sale** and **distribution gaps**, providing actionable insights to sales representatives.
- Presented findings and recommendations to the sales team, focusing on how to improve **customer relationships** and drive incremental business through targeted interventions.
