PROFESSIONAL EXPERIENCE — 3.5 YEARS

Software Engineer — HCL Technologies, Chennai, India Sep 2021 – Jan 2025

- Administered **sailing programme bookings** and training registrations for adult and junior courses, ensuring accurate database maintenance.
- Coordinated **seasonal parking, boat storage, and activity bookings** for members, managing a high volume of requests efficiently.
- Managed **sailing-related member enquiries** via email and phone, providing timely and professional responses to ensure member satisfaction.
- Supported **race administration** by maintaining event calendars, updating entry systems, and coordinating competitor communications for club regattas.
- Prepared **reports and committee information** on sailing activities, including statistics and budget-related data, for management review.
- Updated **website content** pertaining to sailing programmes and events, and assisted with social media posts to enhance member engagement.
- Maintained **sailing administration systems**, ensuring data accuracy and organisation for efficient programme delivery and reporting.

SKILLS

Administration – Event Coordination, Programme Administration, Membership Administration, Office Management, Record Keeping, Data Entry

Communication – Member Enquiries, Newsletters, Website Content Management, Social Media Content, Stakeholder Liaison

Software Proficiency – Microsoft 365, Outlook, Excel, Word, Teams, Club Management Software, Booking Systems

Sailing Domain – Sailing Programmes, Regatta Support, Boat Storage, Training Registrations, Irish Sailing

General Skills – Organisational Skills, Attention to Detail, Problem-Solving, Initiative, Independent Work

PROJECTS

Club Sailing Programme Administration System

- Developed and maintained a centralised database for managing **sailing programme enrolments** and course attendance records, supporting over 150 participants per season.
- Implemented a streamlined process for handling **member enquiries** and booking requests, reducing average response times by 30% through templated communications and efficient query routing.
- Coordinated with instructors and class captains to ensure accurate scheduling and resource allocation for all sailing activities.

Event Support for Club Regattas

- Assisted in the planning and administration of three major club regattas, coordinating competitor information and entry systems.
- Managed pre- and post-event communications with participants and volunteers, ensuring clear dissemination of schedules and results.
- Supported event organisation by liaising with suppliers and providing on-site assistance during race days.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India 2021
