PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Provided first-level ICT support via phone and email, logging over 150 incidents weekly and ensuring timely resolution or escalation for end-users.
- Delivered second-level support through remote desktop tools, troubleshooting and resolving software and hardware issues for a user base of 1,000+ staff.
- Configured and installed **Windows 11 devices**, **mobile devices** (iOS, Android), and peripherals, adhering to standardized deployment procedures.
- Conducted user handover and briefing sessions for new laptops, mobiles, and tablets, ensuring users were proficient with their devices and core applications.
- Managed the installation and configuration of **Microsoft 365** applications and services, including Outlook, Teams, and OneDrive, for new and existing employees.
- Assisted with the escalation of complex ICT issues to senior support staff or external service providers, providing detailed diagnostic information.
- Maintained accurate and up-to-date records of all support activities and user interactions within the **ticketing system**.

SKILLS

Operating Systems – Windows 11, iOS, Android

Productivity Suites – Microsoft 365, Outlook, Teams, OneDrive

Hardware & Devices – Laptops, Mobile Devices, Peripherals

Support Tools – Ticketing Systems, Remote Desktop, Email Support

IT Support Concepts – First-Level Support, Second-Level Support, End-User Support, Incident Logging, Escalation Procedures

PROJECTS

Enterprise Device Deployment and Support

- Managed the imaging and deployment of over 200 **Windows 11 laptops** for a corporate client, ensuring all devices met security and software configuration standards.
- Provided hands-on **deskside support** to users across multiple Dublin sites, resolving hardware, software, and network connectivity issues.
- Documented common troubleshooting steps and user guides for **Microsoft 365** features, contributing to a reduction in repeat support requests by **15%**.

IT Helpdesk Operations Enhancement

- Streamlined the logging and categorization of incoming ICT support tickets by implementing standardized naming conventions within the **ticketing system**.
- Configured and deployed new **smart devices**, including initial setup and user account synchronization for iOS and Android platforms.
- Collaborated with senior engineers to diagnose and resolve escalated issues, gaining exposure to advanced network troubleshooting techniques.
