PROFESSIONAL EXPERIENCE

Software Engineer — HCL Technologies, Chennai, India

Sep 2021 – Jan 2025

- Developed and maintained native Android applications and SDK components using **Kotlin** and **Java**, adhering to modular design principles.
- Implemented **Android APIs** and platform features, ensuring seamless integration with existing mobile frameworks.
- Wrote comprehensive **unit and instrumentation tests** for Android components, achieving over 85% code coverage.
- Collaborated with product managers and mobile engineers to define requirements and participate in **architectural decisions** for Android applications.
- Integrated **AI-assisted development tools**, such as GitHub Copilot, to enhance coding efficiency and code quality.
- Contributed to the design of reusable **Android components**, improving consistency and maintainability across the mobile platform.
- Managed and deployed containerized applications using **Docker** on **AWS EC2** instances, ensuring environment consistency.

SKILLS

Mobile Development – Android, Kotlin, Java, Android SDK, Android Framework, Android APIs

Development Tools – GitHub Copilot, Git, Jenkins, Jira, Confluence

Architecture & Design – Modular Design, Reusable Components, Architectural Decisions

Testing – Unit Tests, Instrumentation Tests

Cloud & Containerization – AWS, EC2, Docker

PROJECTS

Modular Android UI Component Library

- Engineered a reusable library of Android UI components using **Kotlin**, enabling faster development cycles for new features.
- Implemented a flexible theming system and accessibility features, ensuring compliance with design guidelines and broad user reach.
- Integrated the library into a pilot application, reducing the development time for common UI elements by approximately **30%**.

Android Feature Integration Service

- Developed an Android SDK in **Java** to integrate with a backend service, providing real-time data updates to mobile clients.
- Designed and implemented robust error handling and retry mechanisms for API calls, improving application stability.
- Collaborated with backend engineers to define API contracts and ensure smooth integration for an enterprise client.

EDUCATION

M.Sc. Data Analytics — National College of Ireland, Dublin

Feb 2026

B.E. Computer Science — SNS College of Technology, Coimbatore, India

2021

CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
