+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Delivered **production support and incident response** for enterprise applications across **AWS** infrastructure, monitoring system health via **Splunk, CloudWatch, and Dynatrace**; managed P1/P2 incidents with **SLA adherence** and root cause analysis.
- Automated operational workflows using **Python scripting**, ETL pipelines, and **scheduled reporting**; reduced manual data validation overhead by designing **SQL-based** audit processes across **PostgreSQL, MySQL, and Oracle** databases.
- Developed and maintained **REST APIs** using **Java Spring Boot**; participated in full software delivery lifecycle including **CI/CD pipelines (Jenkins), Git workflows, code reviews, and Agile ceremonies**.
- Configured and deployed containerized applications using **Docker** on **AWS (EC2, S3, Lambda)**; supported cloud infrastructure monitoring and optimization to improve system reliability.
- Analyzed complex data structures and maintained **relational database schemas**; performed ad-hoc SQL queries and validation to support application performance and data integrity across multiple environments.
- Demonstrated continuous learning through certifications in **Python, Java Spring Boot, Angular, and web development**; actively applied new technologies to solve business problems and improve process efficiency.

SKILLS

Microsoft & Enterprise Platforms – Microsoft 365, Azure fundamentals, enterprise application integration.

Cloud & Infrastructure – AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux, CI/CD (Jenkins).

Backend Development & APIs – Java Spring Boot, REST APIs, Python, Flask, FastAPI.

Data & Databases – SQL (PostgreSQL, MySQL, Oracle), ETL, data pipelines, pandas, NumPy.

Monitoring & Support – Splunk, Dynatrace, production support, incident response, troubleshooting.

Collaboration & Documentation – Jira, Confluence, Git, Agile/Scrum, technical documentation.

Frontend & Scripting – Angular, React, Python scripting, shell scripting, basic JavaScript.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Enterprise Java/Cloud Application Monitoring & Support (HCL Technologies)

- Provided end-to-end **production support** for mission-critical **Java/.NET applications** deployed on **AWS infrastructure**, ensuring **SLA compliance** through real-time monitoring via **Splunk, CloudWatch, and Dynatrace**.

- Diagnosed and resolved P1/P2 incidents by analyzing application logs, system metrics, and database queries; implemented **preventive automation scripts (Python, shell)** to reduce incident recurrence.
- Collaborated with development and infrastructure teams to optimize **Docker container deployments, Lambda functions, and database query performance**; maintained detailed runbooks and troubleshooting documentation in Confluence.

Data Pipeline Automation & Reporting Framework (HCL Technologies)

- Designed and deployed **Python-based ETL pipelines** to extract, transform, and load data from multiple enterprise systems; integrated with **AWS (S3, Lambda)** for automated, scheduled reporting.
- Built **SQL data validation workflows** across **PostgreSQL, MySQL, and Oracle** databases; created audit queries to identify data inconsistencies and support schema migration initiatives.
- Configured **Jenkins CI/CD pipelines** for automated pipeline deployment and testing; documented data models and transformation logic to enable team collaboration and knowledge transfer.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
