PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Maintained and enhanced a production **web site** using **JavaScript**, **HTML**, and **CSS**, improving page load times by **18%** and reducing bounce rates by **12%** through performance optimizations.
- Automated site generation and publishing workflows by developing **Python** scripts, which reduced manual deployment effort by **40%** and ensured consistent delivery of documentation updates.
- Integrated the documentation platform with backend **web services** and **REST APIs**, supporting asynchronous calls and streaming responses to deliver dynamic content, resolving **95%** of integration-related bugs within 24 hours.
- Owned and improved **Azure DevOps (ADO) pipelines** for building and publishing documentation across QA and Production environments, increasing release success rate to **99.8%** and reducing deployment time by **30%**.
- Developed and maintained **PowerShell scripts** and other automation tools for publishing and validation workflows, enhancing the repeatability of releases by **50%** and improving overall system reliability.
- Provided technical guidance and tooling to product teams for integrating documentation into their build and release pipelines, acting as a technical partner and facilitating smoother cross-team collaboration on platform adoption.

SKILLS

Frontend Development – JavaScript, HTML, CSS, UI state management, Asynchronous API calls, Streaming responses

Backend & Automation – Python, PowerShell, REST APIs, Web Services, Scripting

DevOps & CI/CD – Azure DevOps (ADO), Jenkins, Git, Build & Deploy Workflows, Release Management, Observability

Cloud Platforms – AWS (EC2, S3, Lambda, CloudWatch), Docker

Databases & Data Handling – SQL (PostgreSQL, MySQL, Oracle), Data Warehousing, ETL

Data Analytics & BI – Power BI, DAX, Tableau, R, pandas, NumPy

Enterprise Systems – ERP Integration Support, Change Management, Incident Response

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Automated Documentation Publishing Platform (HCL Technologies)

- Architected and implemented an automated documentation platform using **Python** and **Flask**, integrating with **REST APIs** to pull content from multiple source repositories.
- Developed **CI/CD pipelines** within **Jenkins** to automate the build, testing, and deployment of static documentation sites to **AWS S3**, achieving a **2-hour** deployment cycle from code commit to production.
- Enhanced platform reliability by implementing comprehensive monitoring using **Splunk** and **CloudWatch**, reducing critical incidents by **25%** and improving system uptime to **99.95%**.
- Designed and built interactive frontend components using **JavaScript** and **HTML**, incorporating asynchronous API calls for dynamic content retrieval and improving user engagement metrics by **15%**.

Financial Services Transaction Monitoring Dashboard (HCL Technologies)

- Supported a financial-services operations dashboard by developing **Java Spring Boot** microservices for transaction-flow monitoring and operational alerting on failed payment messages.
- Wrote **Python** scripts to automate data validation and ETL processes for reconciliation workflows, improving data accuracy by **98%** and reducing manual reconciliation time by **35%**.
- Managed and queried data across **PostgreSQL** and **Oracle** databases, performing ad-hoc analysis for incident triage and contributing to audit trail generation for regulatory compliance.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
