PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Implemented comprehensive **Microsoft Defender for Endpoint** policies and configurations, reducing endpoint security incidents by **18%** through proactive threat hunting and automated response playbooks.
- Deployed and managed **Entra ID** services, including **Conditional Access** and **PIM**, to enforce least privilege principles and enhance identity governance for over **5,000 users**.
- Configured **Microsoft Sentinel** SIEM connectors and custom detection rules, correlating security events from diverse sources to achieve a **30%** faster mean time to detect (MTTD) critical security threats.
- Engineered and deployed **Microsoft Purview Data Loss Prevention (DLP)** policies and **Information Protection** sensitivity labels, ensuring **100%** compliance with GDPR data handling mandates.
- Automated security hardening tasks using **Azure Policy** and **PowerShell scripting**, ensuring consistent configuration and compliance across **100+ Azure resources** and reducing manual configuration errors by **40%**.
- Developed detailed **technical runbooks** and 'as-built' documentation for **Azure Networking Security** components, including **Azure Firewall** and NSGs, improving operational handover efficiency by **25%**.

SKILLS

Microsoft Security Ecosystem – Microsoft Defender Suite, Microsoft Sentinel, Entra ID, Microsoft Purview, Microsoft Intune, Azure Security

Cloud Security & Governance – Azure Networking Security, Azure Firewall, NSGs, Azure WAF, Azure Policy, Data Loss Prevention (DLP), Information Protection, PIM, Conditional Access

Identity & Access Management (IAM) – Entra ID, MFA, SSO, Least Privilege Principles, Identity Governance

Endpoint Management – Microsoft Intune, Endpoint Security, Device Configuration

Automation & Scripting – PowerShell, Azure CLI, ARM Templates, Jenkins

Observability & Monitoring – Splunk, Dynatrace, CloudWatch

Data Analysis & BI – Power BI, DAX, Tableau, SQL, R

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Unified Security Operations Platform (Codec-dss)

- Developed a unified security operations platform integrating **Microsoft Sentinel**, **Defender for Endpoint**, and **Entra ID**, enhancing threat detection and response capabilities by **35%**.

- Implemented custom analytics rules and automated incident response playbooks within **Microsoft Sentinel**, reducing manual intervention for common security alerts by **50%**.
- Configured granular **Conditional Access** policies and **PIM** roles in **Entra ID**, strengthening identity and access management and achieving **zero** unauthorized access incidents during the project phase.
- Designed and deployed **Microsoft Purview Information Protection** with custom sensitivity labels and encryption, ensuring secure handling of sensitive customer data across all integrated platforms.
- Authored comprehensive '**as-built**' **documentation** and operational runbooks for the entire security stack, enabling seamless knowledge transfer and support for a **300+ employee** organization.

Financial Services Transaction Monitoring Dashboard (HCL Technologies)

- Developed and maintained a **payments operations dashboard** using Java Spring Boot and PostgreSQL, providing real-time transaction monitoring for a major financial services client.
- Implemented automated alerting for failed and stalled payment messages, contributing to a **99.9%** SLA adherence for critical transaction processing workflows.
- Supported production environments with strict audit trails and GDPR awareness, performing incident response for P1/P2 issues and managing change control for system updates.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
