Networking – Basic troubleshooting (Wi-Fi, LAN, VPN), Router/Switch setup assistance, IP addressing, DNS, DHCP

Tools & Technologies – Ticketing systems (Jira, Confluence), Hardware troubleshooting, Software troubleshooting

Documentation – Knowledge base creation, Process documentation, Incident logging

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin 02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India 01/2021

PROJECTS

Automated IT Onboarding and Device Management System (HCL Technologies)

- Developed a Python-based automation script to streamline the onboarding process for new hires, reducing the time to provision new laptops and user accounts by **40%**.

- Integrated the script with **Active Directory** and **Microsoft 365** APIs to automate user creation, group assignments, and email setup, handling **100+** user profiles weekly.
- Implemented a system for tracking and managing IT assets using a combination of shell scripting and SQL queries against a **PostgreSQL** database, ensuring real-time inventory accuracy.

Financial Services Transaction Monitoring Dashboard Enhancement (HCL Technologies)

- Enhanced a **payments operations dashboard** by developing new Java Spring Boot microservices to process and monitor transaction flows, improving visibility into payment message statuses.
- Implemented real-time alerting mechanisms using **Splunk** for failed or delayed transactions, reducing average incident response time for critical payment issues by **25%**.
- Collaborated with business analysts to refine **reconciliation workflows**, contributing to a **99.95%** SLA adherence for transaction processing.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
