

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Designed and implemented **interface solutions** for interoperability between Dedalus applications and client systems, achieving seamless data flow and reducing integration errors by **18%**.
- Generated **first-of-type Dedalus integration work packages** and strategic "gold-build" interface solutions, enhancing system compatibility and accelerating deployment timelines by **25%**.
- Executed comprehensive **technical analysis, configuration, and testing** for interface work packages, ensuring adherence to healthcare communication protocols like **HL7** and **FHIR**.
- Managed the full lifecycle of interface deployments, from initial analysis and design to **data mapping**, implementation, and post-go-live support, successfully delivering **15+** complex integrations.
- Created **test stubs and test harnesses** for interfaces to facilitate thorough testing activities and associated documentation production, improving test coverage by **30%**.
- Troubleshoot **integration customer support issues**, assessing and mitigating clinical risks, and collaborated with project teams to resolve **100+** critical incidents within defined SLAs.

SKILLS

Integration Engineering – Interface Design, Implementation, Configuration, Testing, Data Mapping, HL7, FHIR, ASTM, TCP/IP, JSON, Integration Engine Technology

Healthcare Technology – Healthcare Application Systems Interoperability, Electronic Patient Record, Clinical Risk Assessment, Health Systems Software

Software Development – Java Spring Boot, Python, REST APIs, SQL (PostgreSQL, MySQL, Oracle), Microservices

Cloud & DevOps – AWS (EC2, S3, Lambda, CloudWatch), Docker, Jenkins, Git

Data Analysis & BI – Power BI, Tableau, DAX, Power Query, Data Modelling, Data Warehousing

System Support & Operations – Production Support, Incident Response, Change Management, SLA Management, Splunk, Dynatrace

Project Management – Agile/Scrum Methodologies, Jira, Confluence, UAT Coordination, Requirements Gathering

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Healthcare Interoperability Platform (HCL Technologies)

- Developed a scalable integration framework using **Java Spring Boot** and **REST APIs** to connect disparate healthcare systems, enabling real-time data exchange for patient records and lab results.
- Implemented robust **data mapping** and transformation logic for **HL7 and FHIR** message structures, ensuring data integrity and compliance across multiple client interfaces.
- Designed and deployed automated testing suites utilizing **Python** scripting and **Docker** containers, reducing manual testing effort by **40%** and improving interface reliability by **99.5%**.

Financial Services Transaction Monitoring Dashboard (HCL Technologies)

- Engineered and supported a **payments operations dashboard** for a financial services client, focusing on real-time **transaction monitoring** and alerting for failed payment messages.
- Automated data ingestion and reconciliation workflows using **Python** and **SQL** against PostgreSQL and Oracle databases, improving processing efficiency for reconciliation tasks by **30%**.
- Managed production environment stability under strict SLAs, contributing to operational alerting and incident response for a high-volume transaction processing system.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
