PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Improved asset reliability by **15%** through proactive maintenance planning and execution, directly supporting brewery production KPIs and minimizing downtime.
- Managed and executed **SAP process orders** for planned maintenance activities, ensuring efficient spare parts planning and resource allocation to meet demanding production schedules.
- Reduced equipment-related performance impacts by **20%** via cross-functional collaboration with production teams to identify and resolve issues, enhancing overall operational efficiency.
- Facilitated autonomous maintenance tasks for operators, contributing to a **10%** increase in machine capability and supporting capital work, including installation and commissioning.
- Ensured adherence to stringent **safety, quality, food safety, and environmental standards** across all maintenance operations, maintaining compliance and operational integrity within the brewery.
- Executed isolations for Diageo and contract personnel, overseeing the issuing of permits for external contractors to guarantee safe site access and work execution.

SKILLS

Maintenance & Operations – Asset Care, SAP PM, Process Orders, Maintenance Planning, KPI Support, Autonomous Maintenance, Root Cause Problem Solving, Reliability Maintenance

Engineering Systems – Utilities Plants, Water Treatment, Refrigeration Systems, Electrical Maintenance, Mechanical Maintenance, Instrumentation

Compliance & Safety – Safety Standards, Quality Standards, Food Safety, Environmental Standards, Contractor Management, Permit Issuance, Isolations

Process Improvement – Manufacturing Excellence Tools, Process Improvement, Equipment Capability Growth, Capital Work Support

Business & Financial – Financial Awareness, Business Drivers, Maintenance Costs, Budgeting Processes

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Diageo Littleconnell Brewery Predictive Maintenance Platform (HCL Technologies)

- Developed and implemented a **predictive maintenance system** for critical brewery assets, integrating sensor data from utilities and brewhouse equipment to forecast potential failures, reducing unplanned downtime by **22%**.

- Engineered data pipelines using **Python** and **SQL (PostgreSQL)** to ingest and process real-time operational data, feeding into a **machine learning model** for anomaly detection and equipment health scoring.
- Designed and deployed interactive **Power BI dashboards** to visualize asset performance, maintenance schedules, and predicted failure alerts for operations and maintenance teams, improving decision-making speed by **30%**.
- Managed the integration of the maintenance platform with **SAP PM** modules, automating work order generation based on predictive alerts and ensuring efficient spare parts inventory management.

HCL Financial Services Transaction Monitoring Dashboard

- Enhanced production support for a **payments operations dashboard**, implementing real-time transaction-flow monitoring and operational alerting for failed payment messages, achieving **99.95%** message processing uptime.
- Automated data validation and reconciliation checks using **Python scripts** and **SQL queries** across PostgreSQL and Oracle databases, reducing manual reconciliation effort by **40%**.
- Collaborated with business analysts to gather requirements for new monitoring features, supporting UAT and post-implementation triage for critical financial services workflows.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
