PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Managed the end-to-end lifecycle of IT projects for Supply Chain digitalization, delivering projects on time and within budget by coordinating cross-departmental resources and external consultants.
- Provided expert application support for Functional/Reporting/Intranet Applications, resolving critical issues to ensure smooth operation and adherence to quality guidelines.
- Designed and executed comprehensive user training programs and documentation, including manuals and user requirements, ensuring successful system adoption and knowledge transfer.
- Coordinated user test sessions and performed validation tests to guarantee system functionality and meet agreed user specifications for new implementations.
- Initiated and implemented system enhancements by suggesting solutions and improvements to application analysts, fostering continuous operational effectiveness and process optimization.
- Facilitated seamless application management service takeovers by guaranteeing project closing and providing initial post-go-live support for Supply Chain solutions.

SKILLS

SAP – Logistics Modules (ECC, S/4HANA), SAP PO, Supply Chain Processes, S&OP, Forecasting, Distribution, Replenishment

Project Management – International Projects, System Change Request Management, Lifecycle Management, Quality Standards, Budget Adherence

Application Support – Functional Applications, Reporting Applications, Intranet Applications, User Support, Incident Resolution

Data & Integration – API Integration, Middleware Platforms, Data Flows, REST APIs

Business Systems – ERP Systems, Enterprise Business Systems, Operational Platforms, Change Control Management

Analytics & Reporting – Power BI, DAX, Tableau, R, SQL, Data Warehousing, Business Intelligence

Development & Automation – Java Spring Boot, Python, AWS, Docker, Jenkins, Git

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin

02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India

01/2021

PROJECTS

Supply Chain Digitalization & Automation Platform (HCL Technologies)

- Led the implementation of a new **SAP S/4HANA logistics module**, integrating with existing ERP systems and middleware platforms to streamline warehousing operations, resulting in a **15% reduction in order**

fulfillment time.

- Developed automated data pipelines using **Python and SQL** to migrate legacy data from SAP ECC to S/4HANA, ensuring data integrity and reducing manual data entry errors by **90%**.
- Designed and deployed interactive **Power BI dashboards** for supply chain performance monitoring, providing real-time insights into inventory levels, demand forecasting accuracy (improving forecast accuracy by **12%**), and distribution efficiency.
- Managed the full project lifecycle for the integration of a new Warehouse Management System (WMS), coordinating with IT teams and external consultants to ensure on-time, within-budget delivery that met all user specifications.

Payments Operations Dashboard Enhancement (HCL Technologies)

- Enhanced transaction monitoring capabilities for a financial-services client's dashboard, implementing real-time alerting for failed payment messages and improving incident response times by **20%**.
- Automated reconciliation workflows using **Python scripts** and complex **SQL queries** across PostgreSQL and Oracle databases, reducing manual reconciliation effort by **30%** and improving data accuracy.
- Developed and maintained production support documentation and audit trail logs within a GDPR-aware environment, ensuring compliance and operational stability for critical financial processes.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
