PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Managed comprehensive sample lifecycle operations, including internal movement, external shipments, and complex sample pulls, achieving **99.5% sample retrieval accuracy** for laboratory analysis.
- Administered all sample-related documentation, performing receipt and review of external sample results and ensuring accurate entry onto **LIMS**, maintaining **100% on-time record completion** in line with **GMP** and data integrity requirements.
- Generated detailed **environmental monitoring and water analysis reports**, delivering agreed quality and business metrics that proactively identified opportunities for process improvement, contributing to a **15% increase in operational efficiency**.
- Supported laboratory analytical personnel by responding to ad-hoc requests for sample pulls and sample-related information, providing cover for other team members to ensure **uninterrupted service delivery** across critical analytical workflows.
- Maintained all documentation, systems, and training records in accordance with company, client, safety, housekeeping, and quality standards, initiating necessary training and escalating deviations to management to uphold **cGMP compliance**.
- Collaborated effectively with client personnel and suppliers to meet or exceed client requirements, ensuring delivery against client processes and deliverables, demonstrating flexibility to support multiple areas of the business and contributing to a **positive client relationship score of 4.8/5**.

SKILLS

Laboratory Operations – Sample Management, GMP, cGMP Compliance, Data Integrity, LIMS, Environmental Monitoring, Water Analysis, Aliquoting, Inventory Management

Process Improvement – Operational Efficiency, Quality Metrics, Business Metrics, Process Optimisation, Deviation Escalation

Data Management & Reporting – Report Generation, Documentation Administration, Record Keeping, Data Entry, Regulatory Standards

Collaboration & Communication – Teamwork, Client Collaboration, Stakeholder Engagement, Cross-functional Support, Professional Communication

Technical Aptitude – Analytical Support, Laboratory Information Management Systems (LIMS), Microsoft Office Suite (Word, Excel, PowerPoint)

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Automated Sample Tracking & Compliance Dashboard

- Developed a comprehensive sample tracking system using **Python** and **SQL (PostgreSQL)** to manage samples throughout their lifecycle, reducing manual tracking errors by **30%**.
- Integrated the system with a **Power BI dashboard** to provide real-time visibility into sample status, location, and required testing, enabling faster decision-making for laboratory operations and achieving a **20% improvement in turnaround time**.
- Implemented automated data validation checks and audit trail generation to ensure adherence to **GMP** and data integrity standards, resulting in **zero compliance discrepancies** during internal audits.

HCL Payments Operations Dashboard Enhancements

- Enhanced a financial-services operations dashboard by developing **Java Spring Boot** microservices to improve transaction monitoring capabilities, processing over **1 million transactions daily**.
- Automated alert generation for failed payment messages using **Python scripting**, reducing incident response time by **25%** and improving the overall stability of the payments processing workflows.
- Collaborated with business analysts to refine reconciliation workflows, ensuring accurate data capture and audit trails for regulatory awareness within the production environment.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
