## PROFESSIONAL EXPERIENCE

**SOFTWARE ENGINEER – HCL Technologies | Chennai, India**

**09/2021 – 01/2025 (3.5 Years)**

- Administered and optimized **Microsoft 365** services, including **SharePoint Online** and **Microsoft Teams**, enhancing user productivity and data accessibility by **18%**.
- Developed automated workflows using **Power Automate**, integrating with **SharePoint** and **Dynamics 365**, reducing manual processing time for key business operations by **30%**.
- Configured and managed **Microsoft Dynamics 365 CRM** environments, including entities, security roles, and forms, to support critical business processes and improve data integrity.
- Designed and implemented **SharePoint Online** site structures and permissions frameworks, ensuring secure information architecture and facilitating improved collaboration across **5+** departments.
- Supported the rollout and adoption of **Power BI** reports and dashboards, enabling stakeholders to make data-informed decisions and improving report generation efficiency by **22%**.
- Executed regular audits of permissions across **Microsoft 365** platforms, minimizing the risk of oversharing and ensuring adherence to governance frameworks, reducing audit exceptions by **40%**.

## SKILLS

**Microsoft Cloud & Platform** – Microsoft 365, SharePoint Online, Power Platform, Power Automate, Power BI, Dynamics 365 CRM, Azure, Microsoft Teams, Dataverse

**Administration & Governance** – User Management, Permissions Auditing, Security Roles, Information Architecture, Governance Frameworks, System Optimization

**Development & Integration** – Low-code/No-code Development, Workflow Automation, API Integration, Solution Design, Configuration

**Enterprise Systems Support** – Production Support, Incident Response, Change Management, SLA Management, Technical Administration

**Data Analysis & BI** – Data Modelling, DAX, Power Query, Tableau, Data Visualisation, Statistical Analysis

**Programming & Scripting** – Python, Java, Spring Boot, SQL, REST APIs, Shell Scripting

**DevOps & Cloud Infrastructure** – AWS, Docker, Jenkins, Git, Linux

## EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin**

**02/2026**

**BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India**

**01/2021**

## PROJECTS

**Microsoft 365 Governance and Automation Enhancement (HCL Technologies)**

- Led the implementation of a comprehensive governance framework for **SharePoint Online** and **Microsoft Teams**, establishing clear guidelines for site creation, permissions, and data retention, which reduced

unauthorized access incidents by **60%**.

- Developed custom **Power Automate** flows to automate routine tasks within **Dynamics 365**, such as lead assignment and follow-up reminders, streamlining sales operations and improving response times by an average of **25%**.
- Configured and deployed **Power BI** dashboards to monitor key performance indicators for IT service delivery, providing real-time insights into system uptime and user support metrics, leading to a **15%** improvement in issue resolution speed.

#### **Financial Services Transaction Monitoring Dashboard**

- Engineered backend services using **Java Spring Boot** and **Python** to process and monitor high-volume financial transaction messages, ensuring **99.95%** uptime for critical operational dashboards.
- Developed **SQL** queries and stored procedures across **PostgreSQL** and **Oracle** for data validation and reconciliation workflows, supporting audit trail requirements for a major financial services client.
- Implemented real-time alerting mechanisms via **Splunk** and **Dynatrace** for failed or stalled transactions, reducing average detection time for operational issues by **45%**.

### **ACHIEVEMENTS & CERTIFICATIONS**

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
