

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India 09/2021 – 01/2025 (3.5 Years)

- Organized and defined daily priorities for sample analysis, leading to a **15% improvement** in meeting periodic laboratory plan KPIs within the Quality Control department.
- Managed and controlled all Quality Control activities, ensuring adherence to **GMP requirements** and **HSE regulations**, resulting in zero audit findings for maintained laboratory records.
- Performed routine calibration and preventative maintenance on designated laboratory instruments, reducing instrument downtime by **20%** through proactive part and consumable management.
- Issued events and supported investigations for OOS/OOT results and deviations, contributing to a **10% reduction** in non-conformance incidents through root cause analysis.
- Developed and implemented quality control techniques for raw materials and end products, verifying quality against **regulatory requirements** and client specifications.
- Ensured effective communication with other internal departments regarding QC work by utilizing **Hovione's IT platforms** and internal processes, facilitating timely data sharing and collaboration.

SKILLS

Quality Control – Sample Analysis, Laboratory Planning, KPI Management, GMP Compliance, HSE Regulations, Instrument Calibration, Preventative Maintenance, OOS/OOT Investigation, Deviation Management, Audit Support.

Analytical Techniques – Raw Material Testing, Intermediate Product Analysis, End Product Verification, Analytical Services, Laboratory Records Management, Hygiene and Housekeeping.

Pharmaceutical Industry – Pharmaceutical QC Laboratory, GMP Practices, Regulatory Guidelines, Client Specifications, Contract Requirements, Production Site Operations.

Data & Reporting – Laboratory Records, Notebook Maintenance, Data Generation, IT Platforms, Communication Protocols.

Software & Tools – MS Office Suite, Power BI (for reporting), Data Modelling (for analytical services).

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin 02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India 01/2021

PROJECTS

Integrated Pharmaceutical Quality Control Dashboard (HCL Technologies)

- Developed a comprehensive **Power BI dashboard** integrating data from laboratory information management systems (LIMS) and ERP modules to provide real-time visibility into raw material quality, intermediate product status, and end-product verification.

- Implemented automated data pipelines using **Python** and **SQL** to extract, transform, and load data from disparate sources, ensuring data accuracy and reducing manual data entry errors by **30%** for QC reporting.
- Designed interactive visualizations and DAX measures within **Power BI** to track key performance indicators (KPIs) such as sample analysis turnaround time, instrument calibration adherence, and deviation resolution rates, improving operational efficiency by **18%**.

Production Environment Monitoring and Alerting System (HCL Technologies)

- Engineered a real-time monitoring system using **Java Spring Boot** and **AWS CloudWatch** to track the health of a financial-services operations dashboard, achieving **99.95% uptime**.
- Automated incident response procedures with **Python scripts** and integrated **Splunk** alerts, reducing critical P1/P2 incident resolution times by an average of **25%**.
- Managed change-control processes for production deployments using **Jenkins** and **Git**, ensuring seamless integration with interconnected enterprise business systems and minimizing deployment risks.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
