PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Developed and maintained **Shopify Plus storefronts**, translating **Figma designs** into responsive, accessible front-end code, resulting in a **15% improvement** in mobile conversion rates.
- Built and managed **Shopify theme customizations** using **Liquid, JavaScript (ES6+), and SCSS**, integrating modern build tools to ensure high performance and scalability across devices.
- Implemented integrations with third-party **MarTech systems** like Klaviyo, automating email marketing campaigns and enhancing customer engagement by **20%**.
- Collaborated with senior technical leadership to develop and test new **e-commerce platform features**, participating in code reviews and influencing architectural decisions for enhanced user experience.
- Ensured adherence to **web accessibility standards (WCAG)** and e-commerce UX principles through rigorous testing and iterative development, reducing reported accessibility issues by **40%**.
- Managed multiple development tasks in a fast-paced environment, contributing to the evolution of a conversion-focused e-commerce experience for a globally distributed brand, improving page load times by **25%**.

SKILLS

E-commerce Platforms – Shopify Plus, Liquid, Shopify CLI, Theme Development

Frontend Development – JavaScript (ES6+), HTML, CSS/SCSS, Responsive Design, Web Accessibility (WCAG)

Integrations & APIs – REST APIs, GraphQL APIs, Third-Party Services, MarTech Systems (Klaviyo)

Development Practices – Git/GitHub Workflows, Collaborative Development, Code Reviews, CI/CD (Jenkins)

Design & UX – Figma, Design Systems, E-commerce UX Optimization, CRO, A/B Testing

Backend & Scripting – Python, Java Spring Boot, SQL (PostgreSQL, MySQL, Oracle)

Cloud & DevOps – AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Global E-commerce Storefront Enhancement (Shopify Plus)

- Engineered a high-performance **Shopify Plus storefront**, translating complex **Figma designs** into pixel-perfect, responsive interfaces using **Liquid, JavaScript (ES6+), and SCSS**, achieving a **30% reduction** in bounce rate.

- Integrated critical third-party **MarTech tools** including Klaviyo for advanced email segmentation and personalized campaigns, driving a **25% increase** in customer retention and repeat purchases.
- Implemented robust **REST and GraphQL API** integrations for inventory management and order fulfillment systems, streamlining operations and reducing manual data entry errors by **50%**.
- Ensured strict adherence to **WCAG 2.1 AA standards** and optimized site performance using modern build tools and techniques, resulting in a **40% improvement** in Core Web Vitals scores.
- Managed codebase through **Git/GitHub** workflows, including feature branching and pull requests, contributing to a **20% faster** release cycle for new platform capabilities.

Financial Services Transaction Monitoring Dashboard (HCL Technologies)

- Developed and supported a **payments operations dashboard** for a financial-services client, enhancing **transaction monitoring** capabilities and operational alerting for failed payment messages.
- Automated data validation and reporting tasks using **Python scripting**, reducing manual reconciliation effort by **35%** and improving data accuracy.
- Managed production incidents and SLA adherence for critical financial systems using **Splunk and Dynatrace**, ensuring **99.95% uptime** for core transaction processing.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
