Business Operations – Retail Operations, Customer Service Support, Problem Resolution, Team Collaboration, Administrative Skills

Technical Skills – Python Scripting, Data Consolidation, Microsoft Excel, Power BI, Data Visualisation

Compliance & Accuracy – Attention to Detail, Audit Trails, Regulatory Awareness, GDPR Awareness

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin 02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India 01/2021

PROJECTS

Integrated Luxury Retail Stock & Sales Analytics Platform

- Developed a comprehensive analytics platform integrating data from POS terminals, an Electronic Stock Management System, and customer databases to provide real-time insights into stock levels and sales performance.
- Automated the reconciliation of daily sales against stock movements using Python and SQL, reducing manual processing time by **30%** and enhancing data accuracy for key performance indicators.

- Designed and deployed interactive Power BI dashboards to visualize stock aging, sales trends by brand, and payment method analysis, empowering Directors with actionable business intelligence and supporting strategic inventory management.

HCL Financial Services Transaction Monitoring Dashboard

- Enhanced a payments operations dashboard to provide real-time transaction monitoring and alerting for failed payment messages, ensuring **99.9%** operational uptime for critical financial workflows.
- Implemented Python scripts for automated data validation and reconciliation of transaction records against ledger entries, improving audit trail integrity and reducing settlement discrepancies by **12%**.
- Collaborated with financial operations teams to refine alerting mechanisms and operational dashboards, directly supporting SLA management and regulatory compliance requirements.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
