PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Managed the design and automation of reporting processes for the Co-ordination of Benefits value stream, reducing manual report generation time by **40%** through Python scripting and SQL data aggregation.
- Analyzed, reviewed, and forecasted business operations and financial data for the Co-ordination of Benefits team, presenting key performance indicators and trends to senior leadership to inform strategic planning.
- Led a team of business analysts in delivering regular reporting, analysis, and trends, ensuring savings validation targets were met and exceeded by **15%** quarterly.
- Developed and supported ad-hoc client and operational reports using **Power BI** and advanced **Excel** functions, translating complex data into actionable insights for stakeholders.
- Collaborated with Operations, Finance, and Partner Services teams to foster critical relationships and gather requirements for new reporting initiatives, ensuring alignment with business objectives.
- Conducted comprehensive analysis of business processes and workflows within the payments operations dashboard, providing evaluations and process improvement recommendations that enhanced reconciliation accuracy by **20%**.

SKILLS

Business Analysis & Reporting – Forecasting, Trend Analysis, KPI Measurement, Performance Metrics, Data Visualization, Process Improvement, Requirements Gathering

Data Management & Analysis – SQL (PostgreSQL, MySQL, Oracle), Data Warehousing, Data Modelling, ETL, R, Python (pandas, NumPy, scikit-learn)

Business Intelligence Tools – Power BI, Tableau, DAX, Power Query

Technical Skills – Java Spring Boot, Python, REST APIs, AWS, Docker, Linux, Git, Jenkins

Operations & Support – Production Support, Incident Response, SLA Management, Change Management, UAT Coordination, ERP Systems Support

Presentation & Leadership – Team Leadership, Stakeholder Management, Executive Presentations, Client Reporting, Advanced Microsoft Office (Excel, PowerPoint, Access)

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Payment Integrity Operations Dashboard Enhancement (HCL Technologies)

- Engineered automated data pipelines using **Python** and **SQL** to ingest and process millions of daily transaction records, reducing data latency for the payments operations dashboard by **50%**.

- Developed interactive dashboards in **Power BI** to visualize key performance indicators for transaction monitoring and reconciliation workflows, enabling operations teams to identify and resolve payment discrepancies **30%** faster.
- Implemented robust alerting mechanisms and audit trails within the financial-services dashboard environment, ensuring adherence to strict SLAs and GDPR-aware production standards for critical payment processing flows.

Executive Business Performance Reporting Suite

- Designed and built a consolidated executive KPI dashboard suite using **Power BI**, integrating data from disparate sources across 12 business units to provide a unified view of operational and financial performance.
- Developed advanced **DAX** measures and complex data models to support sophisticated analytical queries, enabling senior leadership to track key metrics against internal budgets and forecasted targets with **99.5%** accuracy.
- Automated report generation and distribution processes via scheduled refreshes and secure publishing to stakeholder portals, significantly reducing the time spent on manual reporting by **75%**.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California**, Davis (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
