PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Implemented **Microsoft Entra ID (Azure AD)** configurations for identity governance and conditional access, integrating **MFA** to secure user access for 5000+ accounts, reducing unauthorized access attempts by **40%**.
- Deployed and managed **Microsoft Intune** for device compliance and application deployment across a fleet of 1000+ endpoints, ensuring **99.5%** policy adherence and reducing unpatched vulnerabilities by **30%**.
- Configured and operated **Microsoft Defender XDR** solutions, including Defender for Endpoint and Defender for Office 365, to monitor and respond to security alerts, decreasing critical threat detection time by **50%**.
- Managed **SIEM** operations using **Microsoft Sentinel** and integrated log sources, leading investigations for security incidents and providing remediation strategies that improved overall security posture.
- Applied best practices for securing **Azure resources**, configuring network security groups, firewalls, and encryption, contributing to a **20%** reduction in identified security misconfigurations.
- Maintained detailed documentation for system configurations, security policies, and operational procedures, aligning with **ITIL principles** for change management and incident response, enhancing team knowledge sharing by **25%**.

SKILLS

Cloud Security – Microsoft Entra ID (Azure AD), Azure Security, Conditional Access, MFA, Microsoft Defender XDR, Defender for Endpoint, Defender for Office 365, SIEM, Microsoft Sentinel, Network Security Groups, Firewalls, Encryption, Zero Trust Security Model, Purview Information Protection.

Endpoint Management – Microsoft Intune, Device Compliance, Application Deployment, Endpoint Configuration, MD-102.

Identity & Access Management – Privileged Identity Management (PIM), Role-Based Access Controls (RBAC), SC-300.

Security Operations – Threat Evaluation, Security Incident Response, ITIL Aligned Service Desk, Incident Management, Problem Management, Change Management, Continual Service Improvement, SC-200.

Azure Technologies – Azure Resources, AZ-500.

General IT – Linux, Shell Scripting, Python, SQL, Jira, Confluence, Documentation, SOPs, Runbooks.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Unified Identity and Access Management Platform (HCL Technologies)

- Developed and implemented a comprehensive identity and access management solution integrating **Microsoft Entra ID** and **PIM**, achieving **100%** compliance with role-based access control policies across 5 key enterprise applications.
- Engineered automated workflows for user provisioning and de-provisioning using **Python** and **REST APIs**, reducing manual intervention by **70%** and improving onboarding efficiency.
- Configured granular conditional access policies and enforced **MFA** for privileged accounts, resulting in a **95%** reduction in successful phishing-related credential compromise incidents.

Secure Cloud Operations Dashboard (HCL Technologies)

- Built and maintained an operational dashboard using **Splunk** and **AWS CloudWatch** to monitor security alerts and system health for cloud infrastructure, enabling proactive identification of potential threats.
- Automated threat detection and response procedures using **Python** scripts and **Linux** shell commands, reducing manual response time for critical alerts by an average of **30 minutes**.
- Collaborated with cross-functional teams to establish audit trails and ensure adherence to **GDPR** requirements within the production environment, supporting regulatory compliance.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
