EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Enterprise Desktop Support Automation Platform (HCL Technologies)

- Developed a Python-based automation suite to streamline **software deployment** and **device imaging** processes for new hires, reducing deployment time by **30%**.
- Integrated the automation suite with the existing **ITSM ticketing system**, automatically updating ticket statuses upon successful deployment and configuration.

- Implemented comprehensive logging and reporting for all automated tasks, providing clear audit trails and improving **asset management** accuracy by **15%**.

Financial Operations Dashboard Enhancement (HCL Technologies)

- Enhanced a **payments operations dashboard** by implementing new real-time transaction monitoring alerts, reducing the average detection time for failed payment messages by **40%**.
- Refactored Python scripts for data ingestion and processing, improving the efficiency of **reconciliation workflows** and supporting a **25% increase in transaction volume**.
- Collaborated with business analysts to gather requirements for new operational reporting features, ensuring adherence to **GDPR awareness** and audit trail requirements.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
