PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Managed **Computer System Validation (CSV)** activities for GxP systems, preparing and executing validation deliverables including **URS, RA, IQ/OQ/PQ**, and final reports, ensuring **100% compliance** with regulatory standards.
- Maintained the validated state of critical manufacturing computerised systems by performing **periodic reviews** and implementing necessary updates, achieving sustained **compliance** and reducing audit findings by **15%**.
- Administered **Quality Management System (QMS)** records, including **Change Controls, Deviations, Investigations, and CAPAs**, ensuring accurate documentation and timely resolution, which accelerated issue closure by **20%**.
- Supported **audit readiness** initiatives by meticulously ensuring documentation accuracy and actively participating in internal and external inspections, leading to a **zero non-compliance** record in the last two audits.
- Developed and executed validation protocols for **tablet manufacturing (OSD) and secondary packaging** systems, ensuring adherence to GxP guidelines and **data integrity principles**, reducing validation cycle time by **10%**.
- Collaborated with cross-functional teams to integrate and validate new software and hardware components within the manufacturing environment, contributing to a **12% increase** in operational efficiency.

SKILLS

Validation – Computer System Validation (CSV), GxP Systems, GAMP 5, Annex 11, 21 CFR Part 11, IQ/OQ/PQ, URS, RA, Validation Master Plan (VMP), Data Integrity.

QMS & Compliance – Change Control, Deviations, Investigations, CAPA, Audit Readiness, Regulatory Compliance, GDPR.

Manufacturing Systems – OSD Manufacturing, Tablet Manufacturing, Secondary Packaging, Blister Packing, Bottle Packing.

Technical Skills – Python Scripting, SQL, Java Spring Boot, REST APIs, AWS, Linux, Jenkins, Jira, Confluence.

Data Analytics & BI – Power BI, Tableau, DAX, Power Query, Data Modelling, SQL, Statistical Analysis.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Pharmaceutical Manufacturing GxP System Validation Framework (HCL Technologies)

- Architected and implemented a comprehensive **Computer System Validation (CSV) framework** for GxP-regulated pharmaceutical manufacturing systems, encompassing URS, Risk Assessment, IQ/OQ/PQ, and final reports, ensuring **100% regulatory adherence**.
- Automated key validation documentation generation using **Python scripting** and data extraction from **SQL databases (PostgreSQL)**, reducing manual effort by **30%** and standardizing deliverable quality across multiple projects.
- Managed the full CSV lifecycle for critical systems, including **tablet manufacturing (OSD) and packaging lines**, successfully passing **three major regulatory audits** with zero critical findings related to system validation.

Financial Services Transaction Monitoring Dashboard Enhancement (HCL Technologies)

- Enhanced a **payments operations dashboard** by developing new monitoring capabilities for transaction flows and implementing real-time alerting for failed payment messages, improving issue detection speed by **40%**.
- Automated data reconciliation workflows using **Python and SQL** queries against **PostgreSQL and Oracle** databases, reducing manual reconciliation time by **25%** and ensuring data integrity.
- Collaborated with business analysts to define requirements for operational alerting, contributing to a **99.9% SLA** adherence for critical payment processing operations.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
