PROJECTS

Seed Golf Digital Storytelling Initiative

- Developed and executed a comprehensive social media content strategy across Instagram and TikTok, resulting in a **22%** increase in follower engagement and a **15%** uplift in website traffic from social channels.
- Produced a series of 50+ short-form videos (Reels/TikToks) showcasing product features and behind-the-scenes operations, which achieved an average view-through rate of **35%**, exceeding industry benchmarks.

- Managed content calendars and coordinated logistics for 10+ on-location shoots, ensuring all required visual and narrative assets were captured, edited, and published within campaign timelines.

HCL Payments Operations Dashboard Enhancement

- Enhanced a financial-services operations dashboard by implementing real-time transaction monitoring and automated alerting for failed payment messages, reducing critical incident response times by **20%**.
- Developed Python scripts to automate data validation and reporting for reconciliation workflows, improving data accuracy and reducing manual processing effort by **25%** across daily operational tasks.
- Supported production environments with strict SLAs, contributing to the maintenance of 99.95% uptime for critical financial transaction processing systems.
