PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India **09/2021 – 01/2025 (3.5 Years)**

- Managed the stability and reliability of critical information systems by delivering day-to-day support and maintenance for assigned ICT application systems, achieving **99.8% system uptime** and resolving an average of **25 P1/P2 incidents per quarter**.
- Administered and troubleshooted software applications, collaborating with **external suppliers** on issue resolution and application change testing, leading to a **15% reduction in critical bug resolution time**.
- Configured and maintained ICT applications, coordinating change management processes for system updates and conducting User Acceptance Testing (UAT) to ensure successful post-go-live support for interconnected enterprise systems.
- Developed Python scripts to automate data pipelines and scheduled reporting, improving data processing efficiency by **30%** and enabling timely operational insights for stakeholders.
- Designed and implemented interactive dashboards and data visualisations using **Power BI** and Tableau, translating complex datasets into actionable business intelligence for executive decision-makers, resulting in a **20% improvement in data-driven strategy adoption**.
- Supported and integrated with enterprise business systems, including ERP modules, managing change control for configuration updates and coordinating UAT across multiple platforms to ensure seamless cross-system integrations via REST APIs and database flows.

SKILLS

Application Support – Issue Troubleshooting, Application Administration, Configuration, SLA Management, Incident Response, Change Management, ITIL Principles

Programming & Scripting – Python, Java, Spring Boot, SQL, Bash Scripting

Data Visualization & BI – Power BI, Tableau, DAX, Power Query, Data Modelling, Operational Reporting

Cloud & Infrastructure – AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux

Database Technologies – PostgreSQL, MySQL, Oracle

Development Tools & Methodologies – Git, Jenkins, Jira, Confluence, Agile/Scrum

System Integration – REST APIs, Data Pipelines, ETL

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin **02/2026**

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India **01/2021**

PROJECTS

Hospital ICT Application Stability & Enhancement Initiative

- Led the support and administration of critical hospital ICT applications, ensuring **99.9% availability** for patient care systems by proactively monitoring and resolving incidents using **Splunk and Dynatrace**.
- Collaborated with **healthcare system vendors** to troubleshoot complex application issues, review proposed fixes, and execute rigorous testing cycles, reducing average incident resolution time for critical systems by **22%**.
- Implemented enhancements to application configurations and workflows based on user feedback and process analysis, directly contributing to a **10% increase in operational efficiency** for key clinical support functions.

Financial Services Transaction Monitoring Dashboard

- Developed and maintained a **payments operations dashboard** for a financial services client, providing real-time transaction flow monitoring and operational alerting for failed payment messages.
- Automated reconciliation workflows using **Python and SQL** against PostgreSQL and Oracle databases, reducing manual reconciliation effort by **40%** and improving data accuracy.
- Ensured production environments adhered to strict SLAs and regulatory requirements (e.g., GDPR awareness) through comprehensive logging, audit trails, and cross-functional collaboration with business analysts.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
