PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Managed **end-to-end delivery and support** of financial services data products, ensuring stability and accuracy for a global client environment by implementing rigorous validation and monitoring.
- Served as the **primary Technical BSA for BAU and production data issues**, conducting root cause analysis for critical incidents and implementing preventative measures that reduced recurring issues by **30%**.
- Translated complex **financial domain business needs** into clear functional and technical specifications, including detailed **data mappings and transformations**, for new data product development.
- Collaborated with **data engineering and technology teams** to analyze existing **SQL** logic and code, validating implementations against business intent and ensuring **production-grade standards** for reliability and accuracy.
- Proactively monitored and assessed **data quality** across multiple financial data streams, identifying and resolving issues that improved data timeliness by **15%**.
- Supported **Agile delivery model** by contributing to backlog refinement, sprint planning, story breakdown, and defining acceptance criteria, ensuring timely release readiness for new data features.

SKILLS

Core Competencies – Financial Services Domain Knowledge, Capital Markets, Business Systems Analysis, Data Provisioning, Issue Investigation & Resolution, Root Cause Analysis, Production Support, Agile Delivery Model, Requirements Gathering, Functional Specifications, Technical Specifications, Data Mappings, Data Quality Assessment, Process Optimisation, Automation, Operational Resilience, Auditability, Traceability

Data & Analytics – SQL, Data Engineering, Data Warehousing, Business Intelligence, Power BI, Tableau, DAX, Power Query, Data Modelling, Statistical Analysis, Exploratory Data Analysis, Time-Series Analysis

Programming & Scripting – Python, Java, Spring Boot, REST APIs, R

Cloud & Infrastructure – AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux

Development Tools & Practices – Jira, Confluence, Jenkins, Git, CI/CD, Code Reviews, UAT Support, Change Management, Regression Testing

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Financial Transactions & Reconciliation Dashboard (HCL Technologies)

- Developed and maintained a **payments operations dashboard** for a financial services client, providing real-time **transaction monitoring** and operational alerting for failed payment messages.

- Implemented automated reconciliation workflows and audit trails, ensuring data accuracy and compliance with **GDPR awareness** and strict SLAs for production environments.
- Collaborated with business analysts and operations teams to gather requirements, support UAT, and triage post-implementation issues, improving overall transaction processing visibility by **20%**.

Enterprise ERP Data Integration & Reporting Platform

- Designed and implemented a data integration platform to consolidate financial and operational data from disparate **ERP modules** and business systems, supporting critical business decision-making.
- Developed **REST APIs** and direct database integrations (**PostgreSQL, Oracle**) to facilitate cross-system data flows, reducing manual data aggregation efforts by **40%**.
- Managed change control processes for system configuration updates and coordinated UAT, ensuring seamless integration and post-go-live support across interconnected enterprise platforms.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
