EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Integrated HR Operations Dashboard (HCL Technologies)

- Developed a comprehensive **HR Operations Dashboard** using **Power BI**, consolidating data from HRIS and payroll systems to provide real-time insights into key metrics such as headcount, turnover, and absence.
- Designed and implemented intricate **DAX measures** and data models to enable advanced analytical capabilities, supporting strategic HR decision-making and reducing manual reporting efforts by **40%**.
- Automated data extraction and transformation processes using **Power Query** and **Python scripting**, ensuring data accuracy and timeliness for monthly **BI reporting** and compliance checks.

Employee Lifecycle Management System Enhancement

- Enhanced an existing **HRIS system** by developing new modules for recruitment and onboarding, integrating with existing employee records and ensuring seamless data flow across the full employee lifecycle.
- Implemented automated workflows for offer letter generation and onboarding task assignments, reducing administrative overhead by **25%** and improving the new hire experience.
- Managed data integrity and system access controls, ensuring compliance with **data protection requirements** and supporting smooth **change management** processes for system updates.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
