PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Analyzed financial needs of corporate clients by performing comprehensive financial statement analysis and creating detailed financial models, supporting transaction structuring efforts and client relationship management.
- Developed and maintained effective industry relationships with legal counsel, external parties, and clients, coordinating with product groups and industry teams within GBM to support European client portfolios.
- Managed production support and incident response for enterprise applications, resolving P1/P2 incidents within strict SLAs and ensuring **99.95%** system uptime through proactive monitoring with **Splunk** and **Dynatrace**.
- Automated data processing and reporting tasks using **Python** scripting, reducing manual effort by **40%** and improving data pipeline efficiency for critical business operations.
- Implemented data validation and schema change management for **PostgreSQL** and **Oracle** databases, ensuring data integrity and supporting cross-system integrations via **REST APIs**.
- Contributed to feature development and bug fixes for **Java Spring Boot** services, enhancing existing systems and developing new REST APIs to meet evolving business requirements.

SKILLS

Financial Analysis & Modelling – Financial Statement Analysis, Financial Modelling, Transaction Structuring, Capital Markets Knowledge, Industry Data Analysis.

Corporate Banking Operations – Client Relationship Management, Business Development, Marketing Materials, Presentation Creation, Cross-functional Collaboration.

Software Engineering – Java, Spring Boot, Python, SQL, REST APIs, Linux, Git, Jenkins, Docker.

Production Support & Observability – Incident Management, SLA Management, Splunk, Dynatrace, CloudWatch, Log Analysis.

Database Management – PostgreSQL, MySQL, Oracle, Schema Design, Data Validation, Ad-hoc Querying.

Data Analytics & BI – Power BI, Tableau, DAX, Power Query, Data Modelling, Statistical Analysis, R.

Compliance & Risk – Regulatory Compliance, GDPR Awareness, Operational Risk Management, Conduct Risk, Audit Trails.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Corporate Banking Client Portfolio Analysis Platform (HCL Technologies)

- Designed and developed a comprehensive analytical platform using **Python** and **SQL** to consolidate client financial data from disparate sources, enabling detailed financial statement analysis and model creation.
- Integrated with **PostgreSQL** and **Oracle** databases to extract and validate financial information, ensuring data accuracy for client presentations and supporting transaction structuring efforts.
- Automated the generation of client-specific reports and marketing materials, reducing preparation time by **30%** and enhancing the team's capacity to manage a growing portfolio of corporate banking clients.

Payments Operations Dashboard Enhancement (HCL Technologies)

- Enhanced a payments operations dashboard by implementing real-time transaction monitoring and alerting using **Java Spring Boot** and **AWS Lambda**, improving the detection rate of failed payment messages by **15%**.
- Developed **Python** scripts to automate data reconciliation workflows, reducing processing time for daily reconciliation reports by **2 hours** and ensuring operational integrity.
- Improved system observability by integrating **Splunk** for enhanced log aggregation and analysis, contributing to a **20%** faster Mean Time To Resolution (MTTR) for production incidents.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
