PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Delivered **production support and system monitoring** for enterprise Java/.NET applications using **Splunk, CloudWatch, and Dynatrace**, managing SLA compliance and resolving **P1/P2 incidents** with **99%+ uptime** across critical infrastructure.
- Designed and automated **Python-based data pipelines and ETL workflows** for scheduled reporting and data validation, reducing manual processing time by **40%** and improving data accuracy across enterprise systems.
- Engineered **REST APIs and microservices** using **Java Spring Boot**, delivering feature work and bug fixes on high-availability production services supporting thousands of concurrent users.
- Managed **AWS infrastructure** including **EC2, S3, Lambda, and CloudWatch** deployments; containerized applications using **Docker** and orchestrated **CI/CD pipelines with Jenkins** to accelerate release cycles.
- Performed advanced **SQL troubleshooting and optimization** across **PostgreSQL, MySQL, and Oracle** databases, executing ad-hoc queries and schema changes to resolve data integrity issues and support business analytics.
- Collaborated across **Infrastructure, Database Administration, and Application Development teams** as a liaison to resolve complex multi-system issues; demonstrated strong **communication and problem-solving skills** in fast-paced Agile/Scrum environments.

SKILLS

Enterprise Systems & Monitoring – Splunk, Dynatrace, CloudWatch, SLA management, incident response.

Operating Systems & Hardware Support – Linux, Windows administration, shell scripting, log analysis.

Cloud & Containerization – AWS (EC2, S3, Lambda, CloudWatch), Docker, infrastructure deployment.

Database Management – PostgreSQL, MySQL, Oracle, SQL optimization, schema administration.

Programming & Automation – Python, Java, Spring Boot, REST APIs, data pipelines, ETL.

DevOps & Collaboration Tools – Jenkins, Git, CI/CD pipelines, Jira, Confluence, Agile/Scrum.

Data Analysis & Reporting – pandas, NumPy, data validation, scheduled reporting, analytics.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Enterprise Application Monitoring & Incident Response (HCL Technologies)

- Established **real-time monitoring infrastructure** using **Splunk and Dynatrace** for mission-critical Java/.NET applications, enabling rapid detection and resolution of performance degradation and system failures.

- Responded to **P1/P2 production incidents** with documented escalation procedures, coordinating with **Infrastructure, Database Administration, and Application Development teams** to restore service and prevent recurrence.
- Maintained **99%+ service availability** through proactive log analysis, capacity planning, and root cause analysis, reducing mean time to resolution (MTTR) by **35%** across the monitoring portfolio.

Data Pipeline Automation & ETL Framework (HCL Technologies)

- Developed **Python-based ETL workflows** using **pandas and NumPy** to ingest, transform, and validate data from multiple enterprise systems into centralized data warehouse.
- Automated **scheduled reporting** and data reconciliation tasks using **cron jobs and shell scripting**, eliminating manual processing and reducing report generation time by **40%**.
- Deployed **Lambda functions on AWS** to trigger data pipeline jobs, and stored processed datasets in **S3**, enabling self-service analytics for business stakeholders and reducing dependency on manual data requests.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
