PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Monitored and resolved **P1/P2 incidents** across enterprise Java/.NET applications using **Splunk, CloudWatch, and Dynatrace**, maintaining **99.5% uptime SLAs** and coordinating escalations with cross-functional teams.
- Performed **fault isolation and troubleshooting** on production infrastructure, diagnosing application and system-level issues across **AWS (EC2, S3, Lambda)** and **Docker** containerized environments.
- Developed **Python automation scripts** for log analysis, data pipelines, and operational reporting; created **shell scripts and cron jobs** on **Linux** systems to reduce manual ticket processing by **30%**.
- Managed incident tickets in **Jira**, documenting detailed troubleshooting steps, root causes, and resolution processes; tracked and prioritized critical events while maintaining accurate logs and SLA compliance.
- Built and maintained **CI/CD pipelines with Jenkins and Git**; performed code reviews and supported deployment workflows, ensuring operational best practices and infrastructure stability.
- Executed **SQL queries** across **PostgreSQL, MySQL, and Oracle** for data validation and schema changes; collaborated with audit and inventory teams to ensure accurate documentation of systems and configurations.

SKILLS

Network & Infrastructure Monitoring – Splunk, CloudWatch, Dynatrace, incident response, fault isolation, SLA management.

Cloud & Containerization – AWS (EC2, S3, Lambda, CloudWatch), Docker, infrastructure troubleshooting.

Scripting & Automation – Python, shell scripting, Linux, cron jobs, log analysis, data pipeline automation.

Ticketing & Documentation – Jira, Confluence, incident tracking, ticket management, process documentation, MOPs/SOPs.

Database Management – PostgreSQL, MySQL, Oracle, SQL, data validation, schema management.

DevOps & Version Control – Jenkins, Git, CI/CD pipelines, code reviews, deployment support.

Core Technologies – Java, Spring Boot, REST APIs, problem-solving, cross-functional communication.

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Enterprise Application Production Support & Reliability (HCL Technologies)

- Served as first-line support for critical enterprise Java/.NET applications, operating within a structured ticketing system to acknowledge, track, and escalate incidents in accordance with SLAs.
- Diagnosed and isolated Layer 2–3 application and infrastructure issues using **Splunk, CloudWatch, and Dynatrace**; coordinated with vendor support and cross-regional teams to restore service and minimize

operational impact.

- Documented all troubleshooting steps, root causes, and resolutions; maintained detailed incident logs and contributed to continuous improvement of operational procedures and monitoring workflows.

Automation & Data Pipeline Development (HCL Technologies)

- Designed and deployed **Python automation scripts** for log analysis, ETL workflows, and scheduled operational reporting; implemented **shell scripts and cron jobs** to reduce manual ticket processing and improve efficiency.
- Developed **REST APIs** using **Spring Boot** and executed **SQL queries** across **PostgreSQL, MySQL, and Oracle** to support data validation and infrastructure monitoring dashboards.
- Collaborated with deployment teams to integrate automation solutions into **CI/CD pipelines (Jenkins, Git)**, enabling faster issue detection and resolution while maintaining accurate inventory documentation.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
