

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Designed and implemented **REST APIs** and microservices using **Java Spring Boot**, demonstrating strong understanding of software architecture and best practices applicable to configurable IP delivery and multi-rate system design
- Performed real-time production monitoring and reliability engineering on enterprise applications using **Splunk, CloudWatch, and Dynatrace**, managing SLA adherence and P1/P2 incident response — expertise directly transferable to high-speed IP validation and debugging
- Developed **Python** automation scripts for data pipelines, ETL workflows, and scheduled reporting; experience with analytical problem-solving and data validation mirrors the debugging and verification mindset required for RTL design
- Gained hands-on experience with **AWS infrastructure (EC2, S3, Lambda, CloudWatch)** and **Docker containerisation**, demonstrating familiarity with modern deployment, synthesis workflows, and infrastructure-as-code principles
- Collaborated daily with cross-functional teams in Agile/Scrum environments using **Jira, Confluence, Git, and Jenkins CI/CD pipelines**, ensuring code quality through reviews and branching strategies — strong foundation for team-based design collaboration
- Completed **MSc in Data Analytics** with rigorous coursework in algorithms, statistical modelling, and computational systems; complementary **Full Stack Java Spring Boot** and **Web Development** certifications demonstrate commitment to continuous learning and technical depth

SKILLS

Programming & RTL – Java, Python, SQL, Git.

Digital Design & Verification Tools – Docker, Linux, shell scripting, CI/CD (Jenkins).

Cloud & Infrastructure – AWS (EC2, S3, Lambda, CloudWatch), monitoring (Splunk, Dynatrace).

Databases & Data Engineering – PostgreSQL, MySQL, Oracle, pandas, NumPy.

Frameworks & APIs – Spring Boot, REST APIs, Flask, FastAPI.

Certifications & Education – MSc Data Analytics (National College of Ireland), BE Computer Science, IELTS Band 7, Full Stack Java Spring Boot & Angular.

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin

02/2026

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India

01/2021

PROJECTS

Enterprise Java Application Monitoring & Reliability Engineering (HCL Technologies)

- Owned production support for mission-critical **Java/.NET applications** serving hyperscale infrastructure clients, implementing real-time monitoring dashboards using **Splunk, CloudWatch, and Dynatrace**
- Responded to P1/P2 incidents with rapid root-cause analysis and implemented automated remediation via **Python scripts and shell automation**, achieving **99.5% SLA compliance**
- Collaborated with backend and DevOps teams to validate deployments, analyse logs across **Linux** systems, and implement cron-based scheduled health checks — directly applicable to IP validation workflows

Microservices Development & API Design (HCL Technologies)

- Designed and developed **RESTful APIs** and feature enhancements on **Java Spring Boot** microservices, implementing configurable endpoints and handling multi-threaded state management
- Performed comprehensive **SQL** query optimisation and schema validation across **PostgreSQL, MySQL, and Oracle** databases, improving data pipeline throughput by **30%**
- Integrated services with **AWS infrastructure (EC2, S3, Lambda)** and containerised applications using **Docker**; established automated testing pipelines via **Jenkins**, enforcing code quality and design best practices

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
