PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India **09/2021 – 01/2025 (3.5 Years)**

- Processed and reconciled **high-volume financial data** using **SQL** (PostgreSQL, MySQL, Oracle) for ad-hoc queries, data validation, and schema changes; built **Python automation scripts** for ETL pipelines and scheduled reporting, reducing manual effort by **30%**
- Managed **SLA compliance** and **P1/P2 incident response** in production environments using **Splunk, CloudWatch, and Dynatrace**, ensuring **99.5%+ system uptime** across enterprise applications; demonstrated reliability engineering and operational excellence
- Developed **REST APIs and backend services** using **Java Spring Boot** for feature work and bug fixes; maintained code quality through **Git** version control, **Jenkins CI/CD pipelines**, and peer code reviews in Agile/Scrum teams
- Deployed and managed cloud infrastructure on **AWS (EC2, S3, Lambda, CloudWatch)**; containerized applications using **Docker**, enabling **20% faster deployment cycles** and improved operational consistency across environments
- Supported cross-functional teams with **data analysis and reporting**; collaborated with stakeholders via **Jira, Confluence, and Linux** shell scripting to automate log analysis and system monitoring, maintaining strong communication and organizational discipline
- Completed **MSc in Data Analytics** while working full-time, demonstrating commitment to continuous learning and professional development; bilingual with **IELTS Band 7** English proficiency

SKILLS

Financial Systems & ERP – SQL data analysis, ETL pipelines, data reconciliation, financial reporting.

Data Processing & Automation – Python, pandas, NumPy, ETL scripting, scheduled reporting.

Backend Development – Java Spring Boot, REST APIs, code quality assurance.

Cloud & Infrastructure – AWS (EC2, S3, Lambda, CloudWatch), Docker, Linux.

DevOps & Collaboration – Jenkins, Git, Jira, Confluence, Agile/Scrum, SLA management.

Monitoring & Analytics – Splunk, Dynatrace, production support, incident response.

Professional – Strong communication, customer service orientation, deadline management, English (IELTS Band 7).

EDUCATION AND TRAINING

MASTER OF SCIENCE in Data Analytics – National College of Ireland, Dublin **02/2026**

BACHELOR OF ENGINEERING in Computer Science – SNS College of Technology, Coimbatore, India **01/2021**

PROJECTS

Enterprise Application Monitoring & Incident Response (HCL Technologies)

- Owned **24/7 production support** for mission-critical Java and .NET applications serving global enterprises; used **Splunk, CloudWatch, and Dynatrace** to detect anomalies and respond to **P1/P2 incidents**, maintaining **99.5%+ SLA compliance**
- Analyzed root causes using **Linux log analysis and shell scripting**; collaborated with development teams to implement fixes and prevent recurrence, improving system reliability
- Documented incident resolutions and created monitoring dashboards, enabling knowledge sharing and continuous operational improvement across the support team

Data Pipeline Automation & ETL Development (HCL Technologies)

- Engineered **Python-based ETL automation scripts** to process large-scale financial and operational datasets; leveraged **pandas and NumPy** for data transformation and **SQL (PostgreSQL, MySQL, Oracle)** for data validation and schema management
- Deployed automated pipelines using **Jenkins CI/CD** and **AWS Lambda** for scheduled daily/weekly reporting, eliminating **15+ hours of manual work weekly** and ensuring **100% data accuracy**
- Collaborated with business stakeholders via **Jira and Confluence** to define requirements and validate deliverables; maintained documentation and supported handover to production teams

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
