

HARIRAMAKRRISHNAN RAMACHANDRAN

+353 899706156 | hariramakrrish@gmail.com | [LinkedIn](#) | Stamp 1G — Eligible to work full-time in Ireland

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER – HCL Technologies | Chennai, India

09/2021 – 01/2025 (3.5 Years)

- Designed and evaluated **Java Spring Boot** REST APIs and backend services, writing clean, production-grade code with comprehensive documentation and performance optimization—directly applicable to AI code evaluation and quality assessment.
- Solved complex coding problems during **feature development and bug fixes**, demonstrating strong problem-solving ability and attention to code clarity—essential for designing training problems and evaluating AI-generated solutions.
- Automated data pipelines and ETL workflows using **Python** scripting, including pandas and NumPy, while maintaining detailed documentation—transferable to data analysis and AI training dataset preparation.
- Collaborated in **code reviews** and **Agile ceremonies** (Jira, Confluence), providing and receiving feedback on code quality, performance, and maintainability across **25+ enterprise services**.
- Performed **reliability engineering and production support** using **Splunk, CloudWatch, and Dynatrace**, managing P1/P2 incident response and SLA compliance—demonstrates ability to assess system reliability and provide detailed technical feedback.
- Deployed and containerized applications using **Docker** and **AWS** (EC2, S3, Lambda, CloudWatch), with experience in **CI/CD pipelines** (Jenkins) and **Git**—strong backend infrastructure foundation supporting coding task development.

SKILLS

Backend & Core Languages – Java, Python, SQL, C, C++.

Frameworks & APIs – Spring Boot, REST APIs, Flask, FastAPI.

Databases – PostgreSQL, MySQL, Oracle.

Cloud & DevOps – AWS (EC2, S3, Lambda, CloudWatch), Docker, Jenkins, Git.

Data & Monitoring – pandas, NumPy, Splunk, Dynatrace, ETL pipelines.

Frontend Exposure – React, Angular, JavaScript, TypeScript.

Professional Skills – Code review, technical documentation, Agile/Scrum, Jira, problem-solving, fluent English (IELTS Band 7).

EDUCATION AND TRAINING

**MASTER OF SCIENCE in Data Analytics – National College of
Ireland, Dublin**

02/2026

**BACHELOR OF ENGINEERING in Computer Science – SNS College
of Technology, Coimbatore, India**

01/2021

PROJECTS

Enterprise Java Application Production Support & Reliability Engineering (HCL Technologies)

- Monitored and maintained uptime of **enterprise Java/.NET applications** using **Splunk, CloudWatch, and Dynatrace**, managing SLA targets and **P1/P2 incident response** with **99.5% resolution accuracy**.
- Debugged and troubleshooted complex backend issues in **Spring Boot** microservices, writing detailed incident reports and preventive measures—cultivating ability to evaluate code quality and provide constructive technical feedback.
- Collaborated with cross-functional teams through **code reviews** and Agile ceremonies (Jira, Confluence) to ensure system reliability and code maintainability across production deployments.

Backend Feature Development & Data Pipeline Automation (HCL Technologies)

- Developed **REST APIs** and new features in **Java Spring Boot**, solving complex coding problems with clean, well-documented, production-ready code adhering to best practices.
- Built automated **ETL pipelines and data workflows** using **Python** (pandas, NumPy), executing ad-hoc **SQL queries** (PostgreSQL, MySQL, Oracle) for data validation and schema optimization.
- Containerized applications with **Docker** and deployed to **AWS** (EC2, S3, Lambda) via **Jenkins CI/CD pipelines**, managing **Git branching** and version control in fast-paced development cycles.

ACHIEVEMENTS & CERTIFICATIONS

- IELTS Academic: Overall Band Score **7 out of 9**, issued by IELTS Official, Test Date: 28/AUG/2023
- **Full Stack: Java Spring Boot** and Angular (Great Learning)
- Certificate of Completion in Web Development from **University of California, Davis** (Coursera)
- Certificate of Completion in Python programming from **University of Michigan** (Coursera)
